Group Critical Illness Insurance

Provides lump-sum cash benefits that can help with daily expenses

Group voluntary critical illness coverage from Allstate Benefits pays a lump-sum cash benefit to help you cover the out-of-pocket expenses associated with a critical illness.

group critical illness

No one knows what lies ahead on the road through life. Will you suffer a stroke, heart attack or the complete loss of hearing? The signs pointing to a critical illness are not always clear and may not be preventable, but our coverage can help offer financial protection in the event you are diagnosed.

Critical illness coverage can help offer peace of mind when a critical illness diagnosis occurs. Below is an example of how benefits might be paid.[†]

 <p>The employee chooses benefit coverage under his Employer Approved Plan</p>	<p>The employee continues to receive annual wellness exams. Three years later the employee suffers another heart attack and is hospitalized for three days. The employee is expected to make a full recovery.</p> <p>Four months later the employee is admitted to the hospital for three days and undergoes coronary artery bypass surgery.</p> <p>The employee leaves his job and is able to take his coverage with him.</p>	<p>Our Critical Illness insurance policy provided the following:</p> <table border="1"><tr><td>Wellness</td><td>\$ 400</td></tr><tr><td>Heart Attack</td><td>\$ 10,000</td></tr><tr><td>Second Event</td><td>\$ 10,000</td></tr><tr><td>Bypass Surgery</td><td>\$ 2,500</td></tr><tr><td>Total Benefits:</td><td>\$22,900</td></tr></table> 	Wellness	\$ 400	Heart Attack	\$ 10,000	Second Event	\$ 10,000	Bypass Surgery	\$ 2,500	Total Benefits:	\$22,900
Wellness	\$ 400											
Heart Attack	\$ 10,000											
Second Event	\$ 10,000											
Bypass Surgery	\$ 2,500											
Total Benefits:	\$22,900
