INSPECTIONAL AND NURSING SERVICES

THIS AGREEMENT made and entered into on this ____ day of _____ and between the CITY OF HAVERHILL, MASSACHUSETTS, HEREINAFTER, referred to as "THE CITY" and TEAMSTERS LOCAL UNION NO. 170, affiliated with the INTERNATIONAL BROTHERHOOD OF TEAMSTERS, hereinafter referred to as "THE UNION".

WITNESSETH

WHEREAS: It is the intention and purpose of the parties hereto to promote and improve the efficient administration of the City's operation and the well being of its employees, to establish a mutual understanding relative to personnel policy, practice, procedures and matters affecting compensation, work time and conditions of employment and to provide for amicable discussion and adjustment of matters of mutual interest and concern:

NOW: Therefore in consideration of the mutual promises and agreements herein contained, the parties mutually agree as follows:

ARTICLE I: RECOGNITION

The City recognizes the Union as the exclusive bargaining agent for the Sanitary Inspectors, Sr. Sanitary Inspector, Local Building Inspectors, Community Health Coordinator, Nurse Leader, Public Health Nurse (52 weeks), Senior Nurse, and Recycling Attendants in the Inspections and Health Regulations Department of the City of Haverhill for wages, hours, and working conditions.

ARTICLE II: UNION SECURITY

Section 1. All present employees who are members of the Union on the effective date of this Agreement shall remain in good standing for the term of the Agreement.

Section 1(a). Agency Shop Clause

1. Membership in the Local Union is not compulsory. Employees have the right to join, not join, maintain, or drop their membership in the Local Union, as they see fit. Neither party shall exert any pressure on or discriminate against an employee regarding such matters.
2. Membership in the Local Union is separate, apart, and distinct from the assumption by one of his/her equal obligation to the extent that he/she receives equal benefits. The Local Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Local Union. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members in the Local Union, and this Agreement has been executed by the Employer after it has satisfied itself that the Local Union is the choice of a majority of the employees in the bargaining unit. Accordingly, it is fair that each employee in the bargaining unit pays his/her own way and assumes his/her fair share of the obligation along with the grant of equal benefit contained in this Agreement.
3. In accordance with the policy set forth under sub-paragraphs (1) & (2) of this section all employees shall, as a condition of continued employment, pay to the Local Union, the employee's exclusive collective bargaining representative, an amount of money equal to that paid by other employees in the bargaining unit who are members of the Local Union, which shall be limited to an amount of money equal to the Local Union's regular and usual initiation fees, and its regular and usual dues. For present employees, such payments shall commence thirty-one (31) days following the effective date or on the date of execution of this Agreement, whichever is the later, and for new employees, the payment shall start thirty-one (31) days following the date of employment.

Section 2. Payroll Deduction of Union Dues

Upon receipt of signed authorization from employees in the bargaining unit, the City shall deduct from the employee's pay the dues payable by such employees to the Union. Deductions shall be remitted to the Union no later than ten (10) days from the date on which the deduction was made. The City shall furnish the Union with a record of each deduction showing the amount and the employee from whom such deduction was made.

Section 3. Credit Union Language

The Employer agrees to deduct certain specific amounts each week from the wages of those employees who shall have given the Employer written authorization to make such deductions. The amount so deducted shall be remitted to the New England Teamsters Federal Credit Union once each week. The Employer shall not make deductions and shall not be responsible for remittance to the Credit Union for any deductions for those weeks during which the employee has no earnings or in those weeks in which the employee's earnings shall be less than the amount authorized for deduction.

Section 4. In the event that on or after the effective date of this agreement the City grants to any other union representing its employees more favorable Union Security provisions than the provisions contained in the preceding Article such more favorable union Security shall inure to the Union hereunder.

ARTICLE III: CONDUCT OF UNION BUSINESS

Authorized agents of the Union shall have access to the premises where employees covered by this Agreement are employed during work hours, including the right to investigate working conditions, collect dues and inspect all time cards and other payroll records for the purpose of determining whether or not the terms of this Agreement are being complied with. The City will make such records available within seven (7) days of the Union's request and will provide a suitable bulletin board in a conspicuous place for posting of information of interest to the members of this Union.

ARTICLE IV: SHOP STEWARD

The Union shall have the right to designate a Shop Steward and an Alternate. The Shop Steward shall be permitted to leave his/her post for and at any reasonable time during working hours, upon notification to his/her immediate supervisor, for the purpose of ascertaining the facts concerning complaints or grievances and the presentation of such complaints and grievances to the Director of Inspections and Health Regulations Department or his/her designated representative without deduction from his/her pay for the time lost for such purpose. Shop Stewards shall have no authority to take strike action, or any other action interrupting the City's business. The City recognizes these limitations upon the authority of the Shop Stewards and shall not hold the Union liable for any unauthorized acts. The City in so recognizing such limitation shall have the authority to impose proper discipline, including discharge in the event the Shop Steward has taken unauthorized action, slowdown or work stoppage in violation of this Agreement. The Union reserves the right to remove the Shop Steward at any time for the good of the Union.

ARTICLE V: SENIORITY AND PROMOTION

Section 1. Seniority shall be defined as in the Civil Service Rules, and all inspectors covered by this Agreement shall retain their Civil Service Status and all rights accruing to them which are now in effect, or may come into effect by subsequent amendments to the General Law of the Commonwealth of Massachusetts.

Section 1a. Recycling Attendants: Seniority shall be defined as length of service with the City of Haverhill.

Section 3. Temporary Employees: Temporary employees shall be granted one (1) week vacation leave with pay after nine (9) months of continuous full-time employment. At the completion of eighteen (18) months of continuous employment, such designated employees shall receive two (2) calendar weeks of vacation leave with pay. There shall be no provisions for retroactive vacation allowances.

Section 4. Restrictions on Granting Vacation Leave: Full-time employees who are absent without pay and/or on leave without pay for more than one (1) day in any month shall not receive vacation credit for that month, and shall have their vacation status retarded by one (1) day or one twelfth (1/12) of their annually accrued vacation credits - whichever is greater - for each such occasion. Subject to the written approval of the Mayor, part-time and temporary employees may be granted such proportion of vacation leave credit as their actual part-time or

temporary service bears to full-time service, provided that such vacation leave with pay does not exceed two (2) calendar weeks.

Section 5. Determination of Years of Service for Vacation Credits: In determining the number of years of service for vacation purposes only, permanent employees shall be credited with one (1) year service for each calendar year in which one hundred sixty (160) days of work have been accumulated as a reserve or as a temporary employee. This section shall apply to reserve patrolmen, with the exception that they shall be required to work a minimum of twenty (20) days per calendar month.

Section 6. Public Interest to be Served in Granting Vacations: Heads of departments may grant vacation leave at such times during the vacation year as will best serve the public interest. Preferences shall be given to employees on the basis of seniority.

Section 7. Accumulation of Vacation Leave Prohibited: All City employees including Department Heads must use vacation credits during the calendar year in which those credits are earned. Under certain circumstances, employees may request permission to carry over vacation credits based on unusual needs or conditions. All requests shall be made in writing and along with the Department Heads' recommendations shall be submitted to the Human Resources Department by November 1st of each year for submission to the Mayor no later than November 15th each year. Requests shall be accompanied by a schedule showing how the total remainder of vacation credits will be used in the following year. Upon submission, up to fifty percent (50%) of one year's vacation time carry over may be approved by the Mayor.

Vacation leave credits shall not accrue for service in excess of the number of hours normally employed.

Section 8. Payment in Case of Death of Employee: Upon the death of an eligible employee, payment of vacation leave and other benefits shall be made to the beneficiary(ies) of the deceased, as may have been designated under the municipal retirement system, or to the estate of the deceased. Such payment shall be made in the amount equal to the vacation leave credits earned up to the time of death of the employee. This shall be effective up to the time of separation from the payroll, provided that no monetary or other allowances have already been made therefor.

Section 9. Accrual of Vacation Credits: Vacation credits shall accrue to an employee while on leave with pay status. Vacation leave credits earned following a return to duty after a leave without pay or absence without pay shall not be retroactively applied against such a leave or absence. When a legal holiday falls on a regularly scheduled work day during an employee's vacation leave with pay, the employee shall be entitled to one (1) additional day of vacation, subject to the provisions of Sick Leave, Article X, Section 11.

Section 10. Employees on Sick Leave: Employees on sick leave return to employment within the calendar year to be eligible for vacation time off in the same year. In no case shall more than fifty-two (52) weeks of pay be given in any calendar year.

Section 11. Use and Loss of Vacation Time Before Retirement Required: Before retiring from the City of Haverhill, employees must take vacation accrued prior to the effective date of retirement. In no case shall an employee suffer the loss of any vacation or holiday credits actually earned.

ARTICLE X: SICK AND BEREAVEMENT LEAVE

Section 1. Number of Days Allowed: All full-time and permanent part-time employees shall be credited with sick leave with pay not to exceed fifteen (15) working days for each year of service, at the rate of one and one quarter (1 ¼) day per month, provided that said leave is caused by sickness or injury which incapacitates the employee in the performance of his or her duties.

Section 1A. Number of Days Allowed: All employees (full-time and permanent part-time) hired after July 1, 2010 shall be credited with sick leave with pay not to exceed nine (9) working days for each year of service, at the rate of three-quarters (.75) day per month, provided that said leave is caused by sickness or injury which incapacitates the employee in the performance of this or her duties.

Section 1B. When an employee is out on sick leave for four (4) consecutive workdays, the Department Head may require the employee to produce a physician's certificate of his/her illness and of his/her fitness to return to work (or at the Department Head's option to be examined by the City doctor). The Department Head may require an employee to produce a physician's certificate of his/her illness and of his/her fitness to return to work (or at the Department Head's option to be examined by the City doctor) whenever the employee has an active Notice of Intent to Require A Doctor's Certificate. The Department Head may issue a Notice of Intent whenever he/she determines that an employee has developed a pattern of inappropriate sick leave. The Notice of Intent will contain the following: 1) a statement of which absences the Department Head believes constitutes the pattern and why he/she believes the absences are inappropriate; 2) a statement that the next time the employee takes sick leave, he/she may be required to provide a physician's certificate of his/her illness and of his/her fitness to return to work (or at the Department Head's option to be examined by the City doctor); 3) the date of issuance and date of expiration (the Notice will remain in effect for one year from the date of its issuance and will then lapse); and 4) that the Notice itself will not constitute discipline. The presence of an active Notice will not prevent the issuance of subsequent additional Notices to the same employee. While the Notice itself will not constitute discipline, nothing in this provision will limit in any way the employer's right to discipline an employee for abuse of sick leave. The Department Head's good faith decision to issue a Notice of Intent will be subject only to an arbitrary and capricious standard.

If an employee is out on sick leave and a public health nurse or authorized representative of the City is sent to individual's residence and said individual is not home or can not be reached by telephone, then the individual will not receive sick leave for that day and will be logged as an unauthorized absence.

Section 2. Extended Family Sick Leave: Employees shall be entitled to up to five (5) days of sick leave in each calendar year when they have been exposed to a contagious disease or when there is a serious illness of a spouse, child or parent. Proof of such illness in the form of an extended family sick leave certificate or a doctor's statement shall be presented before payment of compensation can be made.

An extended family sick leave certificate can be obtained from the Department Head, his/her designee, or from the Human Resources Department.

Section 3. When Sick Leave Credit Begins: Sick leave credit for full-time and permanent part-time employees working twenty (20) hours or more shall begin on the first day of the month following employment, and shall accumulate at the rate of one and one quarter (1 ¼) day per month each calendar month thereafter. Full-time and permanent part-time employees who are absent without pay and/or on leave without pay for more than one (1) day in any calendar month shall not receive sick leave credit for that month unless otherwise approved by the Mayor.

Section 4. Accumulation Permitted; Restrictions: Sick leave not used in any year may be accumulated. No employee shall be entitled to sick leave with pay in excess of the accumulated sick leave credit due. Sick leave credits shall not accrue for services in excess of the number of hours normally employed. An employee whose service is terminated or discontinued voluntarily by the employee shall not be entitled to compensation in lieu of sick leave credit not used.

Section 5. Use of Unearned Sick Leave Credit: In the event an employee has used all his/her sick leave credits, the Mayor may permit said employee to use sick leave or vacation credits in anticipation of said credits being earned in the future. Additional sick leave credits may be granted as provided for in section six (6).

The employee shall execute a memorandum of agreement that in the event of termination or resignation of the employee before restoring such credits, the City shall receive re-imbursement from any funds available to the employee.

Section 6. Voluntary Donation of Accumulated Time: In the event of long-term illness of an employee with no sick leave credits, individual employees may volunteer to donate at least one (1) day but no more than five percent (5%) of their accumulated sick leave time to the employee on a sign-up basis through the Human Resources Department. Such donated time shall not exceed a total of two-hundred and forty (240) days for the duration of the

employee's illness. The use of such donated time shall be recorded by the Human Resources Department and notification shall be given to the donor and department head.

Section 7. Absence Due to Sickness: When an employee is absent because of sickness, such absence shall be charged off against any accumulated sick leave credits in multiples of one-half (1/2) hour, but shall be no less than the actual time off. If an employee has no sick leave credits, such absence shall be charged off, at the employee's option, to leave without pay or to vacation leave credits, if any, but shall be charged off nonetheless on the same basis as above.

Section 8. Notification of Absence and Returns Required: Notification of absences or returns shall be given as early as possible to the head of the department. In the event that an extended absence is foreseeable due to illness, notification shall be given to the department head and a medical release form shall be completed by the employee (for the illness in question). Such medical release form shall be completed by the employee and returned to the Department Head within a two (2) week period. If such notification is not given, the employee's absence may be applied as absence or leave without pay at the discretion of the department head.

Section 9. Physician's Certificate Required for Extended Sick Leave: Upon return to duty following extended sick leave of or in excess of four (4) consecutive working days, an employee shall be required to file evidence in the form of a physician's certificate, along with a statement of the employee's fitness for duty. If such certificate is not submitted within five (5) working days after the employee's return to duty, such absence shall be considered an unauthorized absence and therefore applied as absence or leave without pay or against vacation time. In the event a second opinion is required, a certificate maybe obtained from the Occupational Health Department at the City's expense.

Section 10. Sick Leave Accumulation for Retirees: Upon retirement or in the event of death of a contractual employee, sick leave credits shall be compensated at a rate of up to forty percent (40%) of all sick time accumulated up to July 1, 1979, as stipulated or amended by bargaining agreements in effect. In the absence of a current collective bargaining agreement, eligible employees shall refer to their previous contractual agreement.

Section 11. Sick Leave Coinciding with Holidays: A full or part-time employee shall be entitled to holiday pay as designated in Article VIII, even if said employee is on authorized leave due to sickness, injury, or otherwise, at the time said holiday occurs.

Section 12. Records: Each department head shall keep a record of all sick leaves granted to each employee in the department. The Human Resources Department shall hold all official records of sick and other leaves. Employees shall have the right to review their personnel records upon request.

Section 13. Death: In case of death of an employee, all unused accumulated sick leave shall be paid to the employee's spouse, or to the employee's estate.

Section 14. Bereavement Leave: Five (5) days for parent, spouse, child or grandchild; three (3) days for brother, sister, foster parent, grandparent, spouse's parents or foster child; one (1) day for brother-in-law, sister-in-law, aunt or uncle.

Section 15. Perfect Attendance: For each quarter work year of perfect attendance at work by a member, one (1) day of annual leave will be granted. If a member maintains perfect attendance for one year (four quarters) five (5) days of annual leave will be granted. Such days of annual leave must be taken during the next working quarter with the approval of the Supervisor/Department Head. Bereavement leave, family sick leave and/or personal leave days shall not be considered as absences in applying this provision.

Section 16. Furlough Days: The City agrees to the following conditions for members of the Inspectional & Nursing Services group as it relates to FY 2010 Furlough Days:

Reimburse the member for two (2) day's pay of previously served Furlough Days. The amount will be paid by check no later than December 31, 2010. For the two (2) remaining furlough days served in FY 10, the member will, upon separation from employment be reimbursed for the two (2) days at the future applicable rate or the member may elect to be reimbursed for the two (2) days at the end of five (5) years (2015) depending upon appropriate funding of the budget at that time.

In the event that any other unionized City employees are furloughed in Fiscal 2011 (7/1/10-6/30/11), then the Union will agree to be furloughed for no more than five (5) days. Upon separation from employment, employees will be reimbursed for lost wages from the furlough days. The Union will cooperate with their Department Head to schedule furlough days off.

It is also agreed that as of July 1, 2010 the Employer shall pay eighty percent (80%) of the cost of a health maintenance organization, and the Employee shall pay twenty percent (20%). The City and the Union affirm their joint opposition to any discriminatory practice in connection with employment, promotion or training, recognizing that the public interest requires the full utilization of employee skill and ability without regard to consideration of race, creed, color, national origin, sex, age or handicap. The City and the Union will maintain a policy of affirmative action in regards to discrimination.

ARTICLE XVII: MAINTENANCE OF STANDARDS

It is mutually agreed between the parties that all conditions of employment relating to hours of work and general working conditions shall be maintained and all rights and privileges and other benefits which are enjoyed by the employees covered by this Agreement which are not specifically provided for or abridged by this Agreement are hereby protected by this Agreement.
