Memorial/Commemorative Bench Program

Commemorative Benches:

The City of Haverhill offers the opportunity to purchase a bench with a personalized plaque to memorialize a loved one or to commemorate a special event. Benches are placed in parks, parkways and other public places. Standard bench models have been selected based on their durability and the desired aesthetics. The cost of benches varies with its chosen length and whether you wish to install a personalized plaque.

Plaques:

The manufacturers of the benches provide and install the plaques to protect the exterior coatings. The plaques come in various sizes and there is a limit of 50 characters (letters). The benches are offered in various colors with lengths from four to eight feet and vary in cost depending on size selected. The City reserves the right to approve the plaque wording as well as the location of the bench.

Following are the prices for the benches in 2010, but are subject to adjustment if manufacturers' prices change.

4 foot long bench \$1,195.00 * Plus customized plaque
5 foot long bench \$1,225.00
6 foot long bench \$1,265.00
8 foot long bench \$1,390.00
