**V. Any additional notes on perceived causes of discrepancies:**

RE: difference in number of blanks v. all others in races - pollworkers on election night decided that other political names on pres race write ins were frivolous but were counted as write ins at hand count.  
 Also, issue of ballots jamming in tabulator resulted in reg cast ballots being sent to write in compartment and vice versa.

**V. Any additional notes on perceived causes of discrepancies:**

Throughout the precincts on election day, we had issues with the EV and AV ballots jamming in the tabulators. In addition to this, we discovered that the tabulator was pushing some ballots into the wrong compartments - Regular cast ballots into the write in section and vice versa. There was nothing we could do about this but as a result, the tapes and the counted ballots will have discrepancies with the write in numbers and regular cast ballots counts.
