## **MAYOR FIORENTINI ANNOUNCES SHELTER AVAILABLE DURING BITTER COLD**

Today, Mayor James J. Fiorentini announced that the Haverhill Citizens Center will be open tonight for those who are in need during this bitter cold weather.

Mayor Fiorentini stated:

“These bitter cold temperatures are more than an inconvenience: it can be a danger to public health. Our Citizens Center will be available tonight for anyone who is homeless or whose heat goes out and needs a place to stay. Two people who could not find shelter stayed at the Center last night. If you know of someone who was without heat, they can go to the Citizens Center during the day. If it is at night, they should call the police department on the nonemergency line (978-373-1212) and the police will arrange for them to get into the Citizens Center.”
