## **Mayor Builds Temporary Ice Rink for Winter Skating**

Today, Mayor James J. Fiorentini announced that the temporary ice rink at Riverside Park is officially open to the public. The rink is actually a kit that is used to create a temporary ice surface for people to skate, was built by the recreation staff in the city. This is the second year that the city has used the kit at Riverside Park to create the ice surface for skating.

The ice kit gives the city the ability to create a safe environment for families to skate, there is no need for people to look to ponds or lakes to freeze up, the ice rink in Riverside Park is open. The rink is open to the public Monday-Sunday and the skating is free. The rink will also be illuminated from 4:00pm-8:00pm.

Mayor Fiorentini stated:

“I want to thank the recreation staff for setting up the rink. Providing an ice surface for residents for skating provides a wonderful environment for families to enjoy the outdoors.

“Outdoor activities give people the opportunity to exercise and stay healthy throughout the winter months.

“Providing a free healthy activity for everyone to enjoy is a pleasure to see around our city.”

Above are two recreation employees putting the final touches on the ice rink.
