Mayor Hires Company to Repair City Street Lights

Today, Mayor James J. Fiorentini announced that he has hired Siemens Street Lighting Group to repair all of the streets lights in the city when needed. Michael Stankovich, the Department of Public Works Director will be overseeing the process.

Mayor Fiorentini stated:

“Functional street lights are critical to public safety. I want to make sure we have as many lights working as possible.

“This process will enable us to make sure that all of the non-functioning lights will be reported and Siemens will be contacted to repair them.”
