Re: 13 High Street

Dear President Michitson:

I represent Kerri Fronduto, Trustee of 13 High Street Realty Trust, the owner of property at 13 High Street and a vacant lot across the street which was the subject of a Special Permit Application to convert the building into 7 residential units with parking on the vacant lot to be used in connection with the building. Both the dimensional aspects of the multi-family home use and for the parking had been approved through a variance.

I am re-submitting the proposal for the Special Permit with significant material changes.

(a) The request is for 6 residential units and (b) A plan has been drawn which designates 9 parking spaces on the vacant lot in a scheme which complies with zoning.

I am filing 19 sets of plans. I am also filing the required brief. The list of abutters would be the same as for the last hearing, but I am supplying a form for the Assessor's office to confirm that. For informational purposes, an application in the form used by the Planning Board is enclosed and it has been initialed by the assistant building inspector.

Because this application must be reviewed by the Planning Board as to the "repetitive petition" finding, I am hopeful that the council will refer this to Planning at its meeting on September 16. Copies of this application have been delivered to Planning this day in order to secure a place on their agenda for October 8.

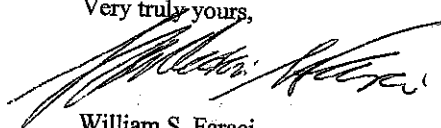

The applicant waives the 65 day decision requirement.

REASON FOR VOTE - DOCUMENT #102/2014

Special Permit – 13 High Street Realty Trust and Vacant Lot across the street consisting of 5 residential units and 9 parking spaces on the vacant lot

In granting the special permit, those members voting in favor found that the application fulfills all of the general conditions contained in Chapter 255- 94 and Chapter 255- 80 (as applicable) of the Haverhill Zoning Ordinance.

President Michitson: I voted in favor because it complies with all requirements.

Councillor Scatamacchia: I voted in favor of the permit because it would be a benefit to the neighborhood.

Councillor Barrett: I feel the construction on High Street will not have a positive impact on the area. I don't believe it provides adequately for traffic. Parking is across the street at the widest part of the road near a busy intersection.

Councillor Macek: I did not feel that the project would be beneficial to helping to re-establish the area, nor did I feel that the proposal was designed properly in respect to health and safety standards.

Councillor Sullivan: I voted for the 13 High Street special permit because I felt that the complete restoration of this site for 5 apartment units would add badly needed decent housing in this area and perhaps serve as a catalyst for more improvements to the High Street neighborhood.

Councillor Daly O'Brien: I voted for the special permit on High Street because it is a re-utilization of a vacant property and a substantial investment in an area of Haverhill that needs revitalization.

Councillor McGonagle: I voted in favor of the special permit based upon the recommendation of the Economic Development Director and the benefit to the area that a new apartment will bring.

Councillor LePage: I voted in favor of this special permit application, with the proposed conditions and stipulations conferred by city department and the Council (5 living units) as it provides sufficiently for traffic, public safety and other utility considerations.
