PROCLAMATION

Motorcycle Safety Awareness Period

- Whereas** The motorcycle is a popular means of transportation for commuting as well as for touring and recreation; and
- Whereas** There is a growing need for cooperation among drivers of automobiles and trucks, motorcyclists, bicyclists, and pedestrians who use our streets and highways, in order to reduce injuries and fatalities; and
- Whereas** It is critical for all Haverhill citizens to increase their knowledge of the rules of the road and the rights and responsibilities of all roadway users as there are 1,695 registered motorcycle owners in Haverhill; and

Good morning Aime, your dates to tag must be consecutive dates. Please update up to three consecutive days and update the application accordingly.

Amie Moscaritolo

March 16, 2026 at 2:39 pm

Hello,

I apologize.

I guess I need to submit 2 separate requests then?

One for 4/18/26

One for 5/09/26

I do not see an option for me to edit my original request. How do I do this to correct the application?

Kaitlin Wright

March 16, 2026 at 2:52 pm

Hi Amie, Unfortunately, city code only allows for one tag day event per year and you can have up to 3 consecutive days. Please let me know if you'd like to add days to either 4/18 or 5/9 and I can add that. You are not able to do both.

Amie Moscaritolo

March 19, 2026 at 2:17 pm

We are would like to request 4/18 as a tagging date.

Thank you.

Kaitlin Wright

March 19, 2026 at 3:38 pm

Thank you, Amie. Do you just want April 18th or would you like to add the 19th and 20th? You are allowed up to three consecutive days.

CITY OF HAVERHILL

In Municipal Council

Ordered:

MUNICIPAL ORDINANCE

CHAPTER 192

**AN ORDINANCE PROHIBITING CRYPTOCURRENCY
AUTOMATED TELLER MACHINES**

BE IT ORDAINED by the City Council of the City of Haverhill that Part II (General Legislation) of the Code of the City of Haverhill, as amended, being and is hereby further amended by adding the following:

Chapter 192 Prohibition on Cryptocurrency Automated Teller Machines (ATMs)

A. Purpose and Intent

The City finds that unregulated Cryptocurrency ATMs pose risks to consumers, including financial fraud, money laundering, and lack of recourse for users. Cryptocurrency ATMs convert currency into virtual currency instantaneously and irreversibly, which exposes the most vulnerable of our residents to unnecessary risk. The City further finds that the current absence of sufficient federal and state consumer protections and regulatory oversight for such devices necessitates a municipal prohibition to safeguard residents and preserve public safety. The purpose of this article is to prohibit the use of Cryptocurrency ATMs within the City in an effort to protect our residents.

B. Definitions

As used in this chapter, the following terms shall have the meanings indicated:

- (1) Cryptocurrency: A digital or virtual currency that uses cryptography for security and operates independently of a central bank, including but not limited to Bitcoin, Bitcoin Cash, Coinhub, Dash, Litecoin, Ripple, ZCash, Ethereum, and similar blockchain-based tokens. Cryptocurrency is a digital representation of value used as a medium of exchange, a unit of account, or a store of value, but does not have legal tender status as recognized by the United States Government.
- (2) Cryptocurrency Automated Teller Machine (Cryptocurrency ATM): Any self-service kiosk, machine, or device installed in a publicly accessible location that enables users to buy, sell, exchange, or transfer cryptocurrency through the machine

using cash, debit card, credit card, or other means of payment.

C. Prohibition of Cryptocurrency Automated Teller Machines

No person, business, or entity shall install, operate, maintain, or allow the installation or operation of a Cryptocurrency ATM within the geographic boundaries of the City. All Cryptocurrency ATMs existing in the City as of the effective date of this chapter must be removed within sixty (60) days after the effective date.

D. Enforcement and Penalties

This chapter shall be enforced by the Police Department or the Inspectional Services Department.

Any person, business, or entity found to be in violation of this chapter shall be subject to a fine of three hundred dollars (\$300.00) per day, per device. Such fines may be imposed and collected by the enforcing officers pursuant to the non-criminal disposition process set forth in G.L. c. 40, § 21D.

Each day during which a violation continues shall constitute a separate offense.

E. Severability

If any provision of this chapter is held to be invalid by a court of competent jurisdiction, such invalidity shall not affect the remaining provisions, which shall remain in full force and effect.
