Election Worker Application

When you go vote, the person helping you is a dedicated volunteer committed to the election process. They are front-line representatives of the City Clerk's Office. These individuals are serving their community and local government with pride. It is a long day and a lot of work; but without our volunteers, we could not make democracy work.

Election workers are required to attend training a week or two prior to the election. Election day arrival is 6 AM at your assigned location. Election workers are provided with a 2-hour lunch break scheduled by the Warden. Elections workers are required to stay until ballots are processed at the precinct, usually 9–10PM, sometimes later.

Individuals with strong math, communication skills, and reliability are encouraged to apply. If you are interested, please complete the form below to GET INVOLVED.
