HEARING SCHEDULE

1. Your application requires a legal advertisement which must be **published at least 10 days prior** to the meeting. The Haverhill License Commission communicates directly with the Haverhill Gazette or The Eagle Tribune to submit your advertisement. Please note that the

newspapers require three business days ahead of the date of publication to process the advertisement request. The License Commission Clerk will submit the advertisement once the completed application and the required documentation are filed. It is your responsibility to pay the **\$150.00/\$250.00 advertisement fee prior to the advertisement being placed.**

2. Your application will be placed on the agenda for the next meeting for which you have completed all requirements or allowed enough time to do so. It is imperative that a representative of the applicant attend this meeting. The proposed manager must also attend this meeting.
3. ABCC requires a **Mailing to Abutters and Others**. The notice must be *mailed certified mail, return receipt requested within three days of the date of the advertisement* and the certified mail receipts must be supplied to the License Commission Clerk either at or before the hearing. The License Commission Clerk will provide a list of **abutters, schools, churches and hospitals** that abut the property for which you are seeking a license. The property owner is deemed to be an abutter if the applicant does not own the property being licensed in the same name as the licensee. In addition to mailing notification to the listed abutters, the applicant must also mail notice to any tenant of a listed abutter. It is the applicant's responsibility to determine if any of the abutters listed are rental properties and to notify the tenant, if applicable. *Again, this notice is mailed certified mail, return receipt requested.*
