7. Utility Hearing(s) and Related Order(s)

8. Hearings and Related Orders

Petition from Christopher Edwards, CEO on behalf of *Haverwell Market, LLC*, 24 R Pleasant st, Newburyport, MA requesting a Special Permit for an Adult Use Marijuana Establishment – LME 19-4 for 399 Amesbury rd – proposing to build a new 6600 s/f structure on a vacant lot *Comments from Department Heads included*

HEARING OPENED

Attorney William Faraci represented Haverwell Market, LLC stating that the requested activity is legal, located in a zone accepted by the city and the site is away from the street with partial screening and shielded. Product delivery will be inside and behind secured door. They have more than adequate parking and the petitioner will extend the sewer line. He introduced Christopher Edwards, CEO, who gave a PowerPoint presentation. Mr. Edwards spoke about his extensive background with Alternative Therapies Group. The site has frontage on Rte. 110, adjacent to the Mobil Station at 339 Amesbury Rd. There will be 2 separate retail entrances. They are leasing only 4,800 sq. ft. out of the total 6,600 sq. feet space. There will be 59 parking spaces. There will be 9 POS lines. Hours of operations will be Monday thru Saturday, 9-7 and Sunday 12-7. The rear will be for storage and packaging. The site will be monitored remotely with limited amount of product on site. There will be 30 plus jobs, part-time and full-time. They do not have a Host Community Agreement but will be assessed a 3% community impact fee. They will donate \$25K for a charitable fee and will give \$22K annually to support youth risk survey. They will use appointment only model. There will be on site security and will have police detail. Jeffrey Durkham, traffic engineer, Vanasse & Associates, Inc. spoke about traffic analysis. The site provides sufficient capacity. They reviewed 9 years of crash data. Posted speed limit is 40mph, cars travel 43mph. There are no obstructed views. Those speaking in favor were Fred Simmons, Marlene Consoli, Dougan Sherwood and Mike Gallant. Those speaking against were Dan MacDonald, Susan Cloutier, Chris Todino, Mitch Forman, Caroline Matterson.

HEARING CLOSED

ON MOTION OF COUNCILLOR SULLIVAN TO MOVE FOR PASAGE WITH SECOND FROM COUNCILLOR DALY O'BRIEN.

Councillors asked questions about hours of operation and number of appointments per hour. Attorney Faraci informed that petitioner was requesting 25 appointments per 15 minutes. Councillors voiced their concerns against this number.

ON MOTION OF COUNCILLOR MACEK TO CONDITION PERMIT TO 5 PER QUARTER HOUR AND INCREASE CAN ONLY BE APPROVED BY POLICE CHIEF, FIRE CHIEF AND CITY ENGINEER. IF THE INCREASE BECOMES A PROBLEM, THEN NUMBER WOULD BE REDUCED TO 5 PER QUARTER HOUR AS INITIALLY GRANTED WITH SECOND FROM COUNCILLOR BARRETT.

Attorney James Smith, who represents Mellow Fellows, raised the issue of the ownership of Haverwell Market, LLC. Councillors asked Mr. Edwards questions about ownership of Haverwell Market and divesting of ATG stores operated by him. They expressed concerns about the application as filed with the Cannabis Control Commission which limits the number of stores allowed per operator and the City of Haverhill.*

ON MOTION OF COUNCILLOR SULLIVAN TO CONTINUE TO SEPT. 24 TO ALLOW APPLICANT TO PROVIDE INFORMATION COUNCIL IS SEEKING WITH SECOND FROM COUNCILLOR DALY O'BRIEN.

On motion to continue, the yeas and nays were as follows:

Yeas – Councillors Sullivan, Barrett, LePage, Jordan and Daly O'Brien	- 5
Nays – Councillors Bevilacqua, Macek and President Michitson	- 3
Absent – Councillor McGonagle	- 1

CONTINUED TO SEPT 24 2019

Petition from Attorney Paul Magliocchetti and Attorney James E Smith representing *Mellow Fellows, LLC*, Haverhill - *Managers*: Timothy Riley, Haverhill; Charles Emery, Haverhill; and Edward Phillip Brown, Haverhill; requesting a Special Permit for an Adult Use Marijuana Establishment – LME – 19-5 with location to be leased from owner *MAC&D Realty, LLC* at 330 Amesbury rd; *Comments from Department heads included*

Councillor Thomas Sullivan read into the record an opinion letter from the Mass. State Ethics Commission regarding his providing professional real estate closing services for this property on March 29, 2019 for which he was compensated with a one-time fee. The Ethics Commission opined that there is no conflict of

interest which prevented Councillor Sullivan from participating in the matter, but suggested that to dispel even the appearance of a conflict of interest he should file a MGL c. 268A, §23(b)(3) Disclosure of Appearance of Conflict of Interest form, which Councillor Sullivan has filed with the City Clerk's office.

HEARING OPENED

Charles Emery, represented Mellow Fellows and gave an introduction of the officers, all 3 of whom are life long Haverhill residents. He reviewed their background and credentials. He informed that local residents and minority groups applications are prioritized with the state. Matthew Juros, architect and owner of Fishbrook Design Studio gave a PowerPoint presentation.* This site is the former Seafood Etc. at 330 Amesbury Rd. and the existing building will be reused/redeveloped. The front portion, elevated deck is where the clients will walk up and will have to show their government issued ID and confirmed appointment to the security guard before access into the building. There will be 19 parking spaces with 6 parking spaces in the back for employees. There will be an 8 foot chain link fence around the entire property and will build a 6 foot residential style wooden fence along the side of the residential property. He reviewed the entry and exit process. James Smith, legal counsel, spoke about compliance with local and state Cannabis Control Commission regulations. They are drafting state application and do not have a Host Community Agreement. Scott Thornton of Vanasse & Associates reviewed the traffic study and analysis. There is posted speed limit of 45mph with vehicles traveling 44-45mph. There are no issues related to safety and line of sight. They are proposing 6 customers per 15 minutes and operating 10 hr. days. It will be appointment only. James Danforth is consulting with Mellow Fellows and spoke about the sophisticated security measures. Armored vehicles will do pick up and drop off with a sealed access door in the rear. Those speaking in favor were Fred Simmons, Erin Riley and Eric Darby. Those speaking against were Susan Cloutier, Deb Scovatti, Nick Forman and Daniel MacDonald.

HEARING CLOSED

ON MOTION OF COUNCILLOR SULLIVAN TO MOVE FOR PASSAGE WITH SECOND FROM COUNCILLOR BARRETT.

Councillors asked questions about hours of operation and parking should there be a need to increase parking. Also, if applicant was willing to make donation to school for at risk youth survey. The proposed hours of operation are Monday thru Saturday 10-8 and Sunday 12-8. Matt Juros assured the Council that the site would accommodate increased parking should they need it. Attorney Smith replied that they would do what other business are doing and requested 6 appointments per 15 minutes.

ON MOTION OF COUNCILLOR MACEK TO CONDITION PERMIT TO START WITH 4 APPOINTMENTS EVERY 15 MINUTES AND INCREASE CAN ONLY BE APPROVED BY POLICE CHIEF, FIRE CHIEF AND CITY ENGINEER. IF THE INCREASE BECOMES A PROBLEM, THEN NUMBER WOULD BE ROLLED BACK TO 4 PER 15 MINUTES AS INITIALLY GRANTED WITH SECOND FROM COUNCILLOR BARRETT.

Subject: *Bellevue Avenue & Hillside Street – Alteration Plan*

An existing retaining wall located down the middle of a portion of Bellevue Avenue causes confusion. It is requested to alter these roadways by taking a portion of Bellevue Avenue and adding it to Hillside Avenue. Once approved, Engineering will readdress a few units appropriately.

Please refer to item to Planning Board for recommendation at their August 14 meeting. The item can then be sent back to Council for vote at the August 20 meeting.

SUBJECT: Plan Alteration Hillside Street and Bellevue Avenue

This is a request from the City engineer to take a portion of Bellevue Avenue and add it to Hillside Street. This alteration requires a recommendation from the planning board and approval by the city council. The role of the planning board was to make a recommendation to the city council after a hearing. On August 14th the Planning Board approved a conditional favorable recommendation.

The plan has been reviewed by the city departments with no major objections, and the Planning board recommended that all of the comments/letters from the city departments be made conditions of the recommendation and be incorporated into the plan alteration as conditions.

Recommendation: Approve the plan alteration as presented with the inclusion of all of the comments/letters from all city departments.

Dear City Council President and Councilors:

Please note at the August 14, 2019 Planning Board meeting the board considered the recommendation of the Planning Director, William Pillsbury, Jr., to forward a favorable recommendation for a plan alteration which would take a portion of Bellevue Avenue and add it to Hillside Street.

Mr. Pillsbury: We have a request from the City Engineer to clarify and cleanup a situation on Bellevue Avenue and Hillside Street. A portion of Hillside Street is being renamed as Hillside Street which is currently a portion known as Bellevue Avenue. It has been very confusing and difficult in terms of public safety vehicles, mail, etc. The City Engineer is bringing forth a plan to clarify this. John Pettis will be bringing this before City Council and we need a recommendation tonight.

Acting Chairman Driscoll: Is there anyone in the audience who wishes to speak in favor or against this petition? Hearing none, I will close the public portion of the hearing and open it up to comments from the board.

After board consideration, Member Alison Colby-Campbell motioned to forward a favorable recommendation to the City Council as recommended by the Planning Director William Pillsbury, Jr. Member Bill Evans seconded the motion. Members that voted in favor were: April DerBoghosian, Esq., William Evans, Alison Colby-Campbell, Robert Driscoll and Karen Buckley. Members Absent: Paul Howard, Ken Cram and Karen Peugh. Motion Passed.

TO: City Council President John A. Michitson and members of the Haverhill City Council

FROM: William Pillsbury, Jr. Economic Development and Planning Director

**SUBJECT: Waterfront Zoning –Major Site Plan 60 Market Rate units
38 Railroad Street**

The application before the city council is for 60 Units of Market Rate Housing in the Waterfront Zoning District—Subzone F at 38 Railroad Street. This project represents a major step forward in implementing waterfront zoning and is exactly they type of project that the city envisioned when the innovative waterfront zoning ordinance was adopted by the city council.

The role of the City council under the Waterfront zoning ordinance is to act as Plan Approval Authority (PAA) for projects allowed by right and requiring approval of a major site plan.

As Economic Development and Planning Director I have reviewed the application package for consistency with the ordinance and what follows is a recommendation based on a review of the project in light of the objectives of the ordinance and the specific requirements and standards of the Waterfront District Subzone F.

1. **255-154 Purpose**

A detailed review of the project against Section 255-154 D 1-17 indicates that the proposed major site plan meets the relevant major objectives of the district.

2. **255-157 Subzones**

The goals for Subzone F states that a project proposed design should:

Creates an active waterfront -which is present via the docks/marina spaces provided;

Continue the Rail Trail –a major benefit of this project is that the applicant proposes to provide easements for public access to and from Railroad Street at both ends of the property and construct the extension of the rail trail along the entire frontage along the Riverfront .

3. **255-158 Design Guidelines**

In subzone F 100% residential use is recommended-project complies

The proposed project complies with the relevant recommended design guidelines in 255-158 A-M

4. **255-162 Major Site Plan review criteria**

Proposed project complies with the review criteria of providing for physical access to the River and to afford visual amenities such as the step down design along the view from the frontage along the river.

5. **255-165 Density**

Density bonus applies based on rehab/replacement of existing structures.

6. **255-170 C Plan Approval Decision**

By-Right plan approval- The city council finds that the project is consistent with the purpose and intent of the section including that the applicant has:

1. submitted the required fees and information
2. meets the requirements and standards set forth in the section
3. provided that impacts have been mitigated to the greatest extent possible

RECOMMENDATION: Based on a comprehensive review of the proposed project I recommend that the City council approve the project as presented finding that it is consistent with the purpose and intent of the section. Any specific requirements contained in the reports filed by the city departments shall be made part of this approval and carried forward into the building permit process.

DATE: August 29, 2019
RE: Cioto Realty Trust for 38 Railroad Street – Parcel ID: 701-630-9
Special Permit – Waterfront District Zone F – residential condominiums

The Conservation Commission reviewed the forwarded information at its August 22nd meeting. The Commission offers the following comments:

- The project site contains protected resource areas associated with the Merrimack River.
- The development will require the formal approval of the Commission through the Notice of Intent procedure. The Applicant must demonstrate compliance with the Massachusetts Wetlands Protection Act Regulations, the Rivers Protection Act, the MA Stormwater Standards, and the City ordinances pertaining to wetland protection and stormwater management.
- The project proposes the installation of a new Point Source Discharge to the Merrimack River for the storm water management system. The Applicant should consult with the Water Department on the proximity of the new drain main to the water main along the eastern side of the property.
- The Applicant should consult with the Wastewater Department to consider opportunities available for this project to separate the section of combined system existing along its frontage. Additionally, consideration should be given to sizing and extending the new drain main (along the eastern side of the property) to facilitate future separation projects that may be conducted.
- Consideration should be given to permitting (with the Con Com) the marina component separately from the residential component. Marina licensing under Chapter 91 will be required with the Commonwealth. Permitting with the Army Corps of Engineers will also likely be necessary for the marina.
- Every effort should be made to minimize river bank disturbance for marina access and to provide native vegetation cover along the bank.

Although additional permitting is required with the Conservation Commission, the Commission offered no objection to a residential redevelopment of this site.

Plans approved by the fire department are approved with the intent they comply in all respects to MSBC, 780 CMR 527 CMR 1.00, MGL Chapter 148 and any City of Haverhill ordinance. Any omissions or errors on the plans do not relieve the applicant of complying with applicable requirements.

Comments below reflect conditions indicated in previous planning meetings:

- NFPA 13 Fire Sprinkler System and Compliant Fire Alarm system will be required
- Third party review of fire protection systems will be required for this project
- Parking area in front of building shall accommodate Fire Apparatus access requirements
- Access road on side of building to provide a minimum of 18' Clearance for Apparatus
- Proposed plan does not show provisions for snow storage
- Scope of work indicates 3 separate buildings, however previous discussions indicate buildings sharing decks between then creating 1 building

Re: APPLICATION OF BOSTON HILL FENCE LLC FOR A SPECIAL PERMIT/WAIVER TO ALLOW SEASONAL STORAGE OF ROAD SALT AND OTHER MATERIAL USED FOR THE REMOVAL OF SNOW OR ICE ON ROADS IN THE WATERSHED PROTECTION DISTRICT FROM NOVEMBER 1ST THROUGH APRIL 30TH

977 AMESBURY ROAD
Haverhill Assessor's Map 439-8-3 & 3A

To the Haverhill City Council:

Application is hereby made for the issuance of a Special Permit and/or Waiver in accordance with the Haverhill Zoning Ordinance and the Watershed Protection District Use Regulations (Chapter 255 Section 19).

The proposed use was allowed by the Haverhill Board of Appeals in its finding issued on April 17, 2019, subject to meeting with the necessary Departments with regard to the storage of salt. After meeting with the Departments, especially the Conservation and Water Departments, it was determined that with City Council Approval for Seasonal Storage of salt and other materials used for the removal of snow and ice on the roads was required. The location and design of the "salt shed" has been approved by the Water Department.

The property is located in an SC Zone. The proposed use is allowed in that zone pursuant to the above referenced Board of Appeal finding, but is not allowed in the Watershed Protection District (255-19D(2)(i)) without specific Special Permit and/or Waiver from the City Council. To not allow this limited seasonal use from Nov. 1st through April 30th for an allowed business located on Route 110, would greatly affect the business of the Applicant and could amount to a taking where no reasonably foreseeable danger to the public health, safety or welfare will arise from such limited use or Special Permit (255-19D(3)(b)). Thus, this Application for the Limited Seasonal Storage of salt and other materials.

As can be seen from the two plans filed with this Petition, a specific location and design of the Salt Shed was reviewed with the Water Department prior to this filing for their approval.

The Plans filed herewith show that the proposed construction is located in a Zone B. State Regulations prohibit salt sheds in Zone A but not in Zone B. Hence the proposed location for the Salt Shed. Applicant is also advised that there are no wetlands on this lot

Applicant believes that the salt shed, as proposed, requires no Federal or State permits, but will require Site Plan Approval and a Building Permit from the Building Department. All these local permits and approvals are to be filed after any Special Permit Approval.

This Application is accompanied by:
30 sets of the Site Plan;
30 sets of the Specs and Building Plans;
A Legal Description of the existing Lots and property;
and the required filing fee.

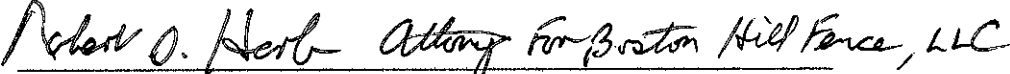

Applicant respectfully requests the Council to find that this proposal satisfies the requirements of the Watershed Protection District (S255-19G), that is:

- A. This proposal satisfies the design and operations guidelines set forth in S255-19F;
- B. This proposal is in harmony with the purposes and intent of the Wetlands Protection District Ordinance and will promote the purposes of said District. This seasonal use in the proposed shed will not impact the watershed and is essential to the operation of an allowed business on Route 110;
- C. This proposal is appropriate to the natural topography, soils and other characteristics of the site to be developed, and other uses in the neighborhood;
- D. This proposal will not, during construction or thereafter, have an adverse environmental impact on any water body or water course in the district; and
- E. This proposal will not adversely affect the quality or quantity of an existing or potential water supply.

Therefore, the Applicant respectfully requests the City Council approve his Application and Issue the Special Permit/Waiver for seasonal storage of salt and other materials used to remove ice and snow from Nov. 1st through April 30th in the Watershed Protection District.

Applicant waives the 65 day hearing requirement.

Respectfully submitted,

RE: Handicap parking sign application

Dear Sir,

I have spoken with applicant, William Barrett, in regards to an application for a handicap sign at 11 Munroe St. He is requesting the sign be placed in front of the house so that he is able to use the front door where his chair lift is located. He has issues walking and the distance from the off street parking to his entrance is too great of a distance for his disability. At this time he meets all the requirements and I would recommend that a sign be placed at that location.

Respectfully,

Officer Phair #107
