

Newton Road and Dutton Road Culvert Replacement Project

A Public Information meeting will be held on Saturday June 20, 2026 at 10:00 AM on-site at the intersection of Newton Road and Dutton Road to discuss the project. The project proposes to replace the existing 36" culvert under Newton Road with a larger 9.5' x 6' concrete box culvert. The existing 24" culvert under Dutton Road is proposed to be replaced with an open channel. The roadway elevation of Newton Road is proposed to be raised 2.5' over the culvert with a gradual transition back to the existing elevation to the north and south of the culvert.

i Meeting Information:

Saturday, June 20, 2026
10:00 A.M.

On-site at the intersection of Newton Road and Dutton Road
