These deadlines are to allow time to submit requests to the proper city departments and to allow response time for said departments to return written reports back to the Planning Office. Copies of said reports will be provided to the board members for its review prior to its meeting. Any submissions received after the deadline will be placed on the following month's agenda. If you have any questions regarding this matter, please call the Planning Department at 978 374-2330.
