Council President John Michitson and Haverhill City Councilors
4 Summer St
Haverhill MA 01830

Dear President Michitson and Councilors:

I would like to inform you of our plans to once again hold a free music series for the public in Bradford Common on Friday nights from July 7th to August 18 starting at 6PM.

This successful and popular music event will be entering its 10th year, once again under the direction of Paul Prue.

The First Church of Christ is sponsoring this event and from a reading of the new amusement ordinance, we are exempt from the permit process as a religious organization and owner of the property on which this event will take place.

§ 104-34 Exemptions.

The provision of Article IV shall not apply to public events, theatrical exhibitions, public shows, public amusements and exhibitions by religious societies conducted on property owned by them, or to public shows and exhibitions given in school buildings by or for the benefit of the pupils thereof, or to any events on public property properly permitted and approved by the appropriate permit granting authority, or to enterprises holding appropriate entertainment licenses from the License Commission or to road races licensed pursuant to § 185-4.

We look forward to another great year that is a benefit for the whole community of Haverhill and we hope to see you at our shows.

Sincerely,

Peter Mills

June 23, 2017

**MEMO TO: CITY COUNCIL PRESIDENT JOHN MICHITSON AND
MEMBERS OF THE CITY COUNCIL**

Subject: *Various Locations – Open Roadway Paved within 5 years*

Council approval is requested for National Grid to open roadways at the six locations identified on the attachment, for the purpose of carrying out necessary gas work. Note that I have received numerous additional requests for work within areas paved within the last five years, and have recently met with National Grid representatives to go again go over our list of paved streets and they are working on rescheduling as much work as possible to be beyond the applicable five year period. I have also met with National Grid each of the last few years to go over our paving list for the coming year, so that they could do needed work within those streets prior to our paving work.

These six locations are the most time sensitive and therefore are their top priority locations. Infrared treatment of all excavations will be a requirement as part of the permit approval.

Please contact me if you have any questions.

Sincerely,

John H. Pettis III, P.E.
City Engineer
