OFFICIAL COMMENDATION

To: Sergeant Glenn Fogarty; Detective Dana Burrill, Jr.; Detective Timothy Campbell;
Detective Joshua Boisvert; Detective David Steed

It is with great respect and appreciation that I formally commend the dedicated members of the Narcotics Unit and Gang Unit for their outstanding performance, professionalism, and unwavering commitment to public safety within the City of Haverhill.

Over the course of their recent operations, these detectives have demonstrated exemplary investigative skill and determination in combating illegal narcotics distribution and violent criminal activity. Through the successful execution of multiple controlled purchases of illicit substances, including fentanyl and cocaine, officers were able to identify and dismantle significant sources of drug trafficking within our community.

Their coordinated efforts in conducting surveillance, developing intelligence, and obtaining judicially authorized search warrants have directly resulted in the seizure of dangerous narcotics and illegal firearms. Notably, officers recovered multiple weapons, including a sawed-off shotgun, a machine gun, and large-capacity feeding devices that posed a serious threat to public safety.

In addition, the unit's proactive monitoring and enforcement of narcotics violations within the City of Haverhill have led to numerous arrests and criminal charges, including but not limited to:

- Conspiracy to violate drug laws
- Possession and trafficking of narcotics
- Possession of large-capacity firearms and feeding devices
- Carrying a firearm without a license
- Obstructing a police investigation
- Unlicensed possession of ammunition
- Fugitive from justice apprehensions

These accomplishments reflect not only the officers' technical expertise but also their courage, integrity, and dedication to protecting the residents of Haverhill from the dangers associated with drug trafficking and illegal firearms.

The success of these investigations has significantly contributed to reducing criminal activity and enhancing the overall safety and quality of life in our community. The professionalism displayed by the Narcotics and Gang Unit serves as a model for law enforcement agencies everywhere.

Please accept this commendation as recognition of your outstanding service and commitment to excellence. Your hard work and sacrifice do not go unnoticed and are deeply appreciated.

Sincerely,

Wayne J. Fraey
Chief of Police

Re: Mayor on Bill S.3077, *An Act to enhance the safe use of micromobility devices*, otherwise known as the "Ride Safe Act"

Dear Mr. President and Members of the City Council:

I share your concern about protecting people who use micromobility devices, which have become a common sight on streets and paths across Haverhill and our Commonwealth. We are seeing more accidents in our community, and we have an obligation to keep our roads safe for everyone and prevent tragedies. We have been actively working on an ordinance to regulate emerging transportation technologies in our City, which mirrors Bill S.3077, *An Act to enhance the safe use of micromobility devices*, otherwise known as the Governor's "Ride Safe Act". I plan to present it to council very soon. While our City Solicitor finalizes language, we must act.

I urge you to advocate alongside me for the passage at the state level of the Governor's Ride Safe Act. The bill was filed on May 4, 2026. It builds on recommendations from a statewide commission created under Governor Healey's Mass Leads Act, signed into law in 2024, and responds directly to growing safety concerns on Massachusetts roads, sidewalks and bike lanes. This bill centers safety of vulnerable users while also supporting the use of micromobility as an affordable, convenient transportation option.

Please join me in advocating for the passage of this bill.

Very truly yours,

Melinda E. Barret
Mayor

SENATE No. 3077

OFFICE OF THE GOVERNOR
COMMONWEALTH OF MASSACHUSETTS
STATE HOUSE · BOSTON, MA 02133
(617) 725-4000

MAURA T. HEALEY
GOVERNOR

KIMBERLEY DRISCOLL
LIEUTENANT GOVERNOR

May 4, 2026

To the Honorable Senate and House of Representatives,

I am pleased to submit for your consideration An Act to enhance the safe use of micromobility devices (the Ride Safe Act).

On November 20, 2024, I signed into law Chapter 238 of the Acts of 2024, also known as the Mass Leads Act. Section 306 of this law established a special commission to study and recommend ways to regulate micromobility vehicles, including mopeds, electric scooters and e-bikes. The Commission represented legislators and mix of state agencies, advocacy groups, municipalities, business groups and law enforcement. On January 31, 2026, the Commission published and submitted to the Legislature a report detailing a list of recommendations to support and ensure the safe use of micromobility vehicles. The legislation I am filing today builds on the Commission’s approach of centering safety of vulnerable users while also supporting the use of micromobility as an affordable, convenient transportation option.

Micromobility is already part of daily life in Massachusetts for many residents. This legislation provides clear rules to make roads and sidewalks safer, while also reducing traffic, expanding affordable transportation choices, and protecting pedestrians. For example, the bill establishes minimum age requirements for operating certain e-bikes and scooters, requires helmets for specific device categories, and introduces stronger requirements for higher-speed vehicles such as mopeds, including insurance standards. It also sets clear equipment requirements like lights, reflectors, and braking systems to improve visibility and reduce crashes. Together, these updates clarify where devices can operate, such as bike lanes, roadways and sidewalks, while limiting higher speed devices in areas where they pose safety risks.

This legislation will clarify and update current law to unlock new forms of affordable mobility for residents in a safe manner and establish a working group chaired by a designee from the Registry of Motor Vehicles to update crash reporting and explore additional micromobility matters, such as light weight registration options for micromobility devices.

This legislation positions Massachusetts as a national leader by moving beyond device-by-device rules and towards a unified, speed-based framework for all micromobility. It's a smarter, more consistent way to regulate devices based on how fast they go, not just what they're called.

I urge your favorable consideration of this legislation.

Respectfully submitted,

Maura T. Healey,
Governor

Dear President Jordan and Members of the Haverhill City Council,

I am requesting approval by the City Council of the following three fee increases as part of the City Clerk's Fee Schedule:

- For furnishing street listing book - in office
- For furnishing street listing book – by mail
- For processing petitions and issuing a Utility permit

JUN 18 AM 9:45
HAVERHILL CITY CLERK

At present, we charge \$45 in office for a copy of our annual street listing book and \$50 by mail. The cost of producing our street listing books has increased exponentially and we are losing money by selling them at the present price. Our vendor charges the city \$94.50 per spiral bound book. The order before you would increase the fee to \$100 per copy in office and \$110 per copy by mail, which would compensate for the cost of the printing of the book and would generate a small amount of revenue. It should be noted that an electronic copy of the street listing is available for no charge, but we still receive interest yearly for hard copies of said books.

Additionally, I am requesting an increase of our fee to process petitions and issue Utility permits – which come before you to be voted on in the form of single or joint pole locations. Presently, we charge \$50 per utility, and I request you increase the fee to \$100 per utility. We process roughly 20 or more utility petitions a year. Comparably sized communities such as Malden and Framingham charge \$500 and \$300 per utility respectively. Increasing our fee will generate more revenue and will put us on par with similarly sized communities. These fees are directly accessed to the utility companies, typically National Grid and Verizon.

Thank you for your consideration.

Respectfully,

Re: Order: Amended fee schedule

Dear Ms. Wright:

Reference is made to the above captioned matter. In that connection, your office has requested that we prepare the attached Order for the Council's consideration. The proposed Order amends the existing fee schedule by including the already established utility permit fee and increasing the fee for furnishing street listing books in office and by mail.

Acceptance of the amended fee schedule would increase the utility permit fee from \$50.00 to \$100.00, the street listing book fee in office from \$45.00 to \$100.00, and street listing book fee by mail from \$50.00 to \$110.00.

Attached to this correspondence for the City Council's review is the proposed Order.

Sincerely,

/s/ Lisa L. Mead

Re: Acceptance of G.L. c. 60 § 3F and Establishment of Municipal Veterans Assistance Fund

Dear Mr. Jordan:

Reference is made to the above captioned matter. In that connection, the City Veterans Officer has requested that we prepare the attached Order for the City Council's consideration. The Order would accept the provisions of G.L. c. 60 § 3F, authorizing the City to solicit, on property tax or motor vehicle excise tax bills, or on a form mailed with either bill, donations or pledges to establish and support a municipal veterans assistance fund.

The fund must be kept in a special account in the general treasury and shall be used, without further appropriation, to provide support to veterans and their dependents in immediate need of assistance with food, transportation, heat, or oil expenses. The fund may be supervised by either a local veterans services agent (such as the Veterans Services Officer designated under M.G.L. c. 115, §3) or by the Tax Collector.

If G.L. c. 60 § 3F is accepted, the City will need to adopt implementing regulations or policies to establish an application process, standards for acceptable documentation to establish veteran or dependent status, and criteria to determine eligibility and amount of assistance to be granted. Review and approval/rejection of applicants and determinations of eligibility and need are to be made by the City's Veterans' Services Department.

Attached to this correspondence for the City Council's review is the proposed Order.

Sincerely,

Lisa Mead, City Solicitor

Re: School Lease Agreement

The City, on behalf of the School Department, currently leases property located at 415 Primrose Street, Haverhill from the Roman Catholic Archbishop of Boston for the operation of the Haverhill Alternative Middle High School (also known as the Gateway Academy). The current lease agreement expires on June 30, 2026.

Earlier this year, the City, in coordination with the School Department and in compliance with Massachusetts procurement law, solicited proposals for the lease of a building for the same purpose. The City received only one proposal—from the Roman Catholic Archbishop of Boston. The proposal was made up of the pricing sheet, signed certifications and a draft lease agreement. The School Committee voted and approved acceptance of this proposal and the draft lease agreement.

Upon review at the request of the Mayor’s Office, my office identified provisions in the lease agreement that conflict with the Request for Proposals (“RFP”) and/or violate Massachusetts law, including procurement law. As a general principle, a municipality cannot lawfully accept a proposal that includes terms which materially and substantively conflict with the provisions of the RFP as such violates Massachusetts procurement law.

Based on the foregoing, I am recommending that City Council approve the lease agreement subject to the revisions laid out below to bring the lease agreement into compliance with Massachusetts law and subject to the Landlord providing a Disclosure of Beneficial Interest as required by M.G.L. c. 7C, §38.

1. Section 1 must incorporate the Request for Proposals by reference.
2. Section 1.10 must be amended to reflect the maximum allowed by the RFP to \$385,000 for Year 1 with annual increases of no more than two percent (2%) per year for all subsequent lease years.
3. Section 3.2(c) must be amended to remove language that conflicts with the following provision which must be incorporated therein: “The Landlord agrees to indemnify and hold harmless the Tenant, for and against any claims, actions, demands, damages, costs or expenses arising from or related to any use, acts, or omissions by the Landlord of the Premises.”
4. Sections 3.2(e) and 11.1(b) must be deleted in their entirety.
5. Section 4.3 must be deleted in its entirety.
6. Section 6 must be amended to replace “Tenant” with “Landlord”.
7. Sections 7.1 and 7.2 must be amended to grant the Tenant full access to the Premises at all times during the lease term for uses permitted by the lease agreement and must be further amended to require the Landlord to seek the Tenant’s approval and consent

for entry into any portion of the Premises where students may be present or where student records may be located.

8. Section 7.3 must be amended to include the following language: "Tenant shall have the right to terminate the Agreement with thirty (30) days written notice for any breach of the Agreement by the Landlord. Tenant shall have the right to terminate for convenience should it be in the best interest of the Tenant to do so. Such termination shall be effective ninety (90) days from the date the Tenant provides notice unless the parties agree to another date in writing. The Landlord shall be paid for all rental payments due and owing up until the effective date of the termination."
9. Section 11.3(e)(3) must be amended to delete the language beginning with "to indemnify," and ending with "loss or damage," and replace with the following: "the Tenant shall be responsible for the actual and direct costs associated with remediation if such contamination is caused solely by Tenant's overt acts or omissions,"
10. Sections 11.4(f) and 11.15 must be amended to make snow removal a Landlord responsibility.
11. Section 11.14 must be deleted in its entirety.
12. Section 13.2 must be deleted in its entirety and replaced with the following language: "In the event that this Lease is terminated under any of the provisions contained in Section 13.1, Tenant shall pay forthwith to Landlord any rental amounts currently due and owing as well the monthly rental amounts under this Agreement until such time as the Tenant vacates the Premises, at which point the Tenant shall have no further monetary obligation to the Landlord."
13. Section 14.2 must be amended to include the following language: "The Landlord shall not assign or underlet the lease, nor assign either legally or equitably, any monies hereunder, or its claim thereto, without the previous written consent of the Tenant."
14. Section 14.6 must be amended to make this a mutual clause.

Each such policy shall provide that it must not be canceled and that its limits must not be reduced without at least thirty (30) days' prior written notice to Landlord and its designees, and that the interests of Landlord and its designees thereunder or therein will not be affected by any breach by Tenant of any policy provision. Evidence of these policies, in the form of insurance certificates reasonably satisfactory to Landlord, must be submitted to Landlord no later than the earlier of thirty (30) days prior to the Commencement Date and thirty (30) days the commencement of any Improvements by Tenant in or about the Premises Tenant shall, if requested, submit the actual policies of insurance to Landlord within ten (10) days of a request therefor in writing. Tenant shall also submit to Landlord renewal certificates of any expiring policy hereunder within ten (10) days of expiration thereof. If Tenant fails to have a current and valid certificate of such policies on deposit with Landlord at all times during the Term and such failure is not cured within three (3) Business Days following Tenant's receipt of notice thereof from Landlord, Landlord shall have the right, but not the obligation, to obtain such an insurance policy, and Tenant shall be obligated to pay Landlord the amount of the premiums applicable to such insurance within ten (10) days after

Tenant's receipt of Landlord's request for payment thereof. Tenant's insurance policies shall not include deductibles in excess of Five Thousand Dollars (\$5,000.00).

Such insurance must be effected under valid and enforceable policies with insurers authorized to do business in Massachusetts as stock or mutual companies that are rated in the current edition of Best's Key Rating Guide, property and Casualty as A- and as Class VIII or higher. Landlord shall have the right from time to time to increase such minimum limits upon notice to Tenant, provided that any such increase shall provide for coverage in amounts similar to like coverage being carried on like property in the greater Boston area.

(b) Waiver of Subrogation. Notwithstanding anything herein to the contrary, Landlord and Tenant each hereby waives any and all rights of recovery, claim, action, or cause of action against the other, its agents, employees, licensees, or invitees for any loss or damage to or at the Premises or any personal property of such party therein or thereon by reason of fire, the elements, or any other cause which is covered, or would have been covered, by the insurance coverages required to be maintained by Landlord and Tenant, respectively, under this Lease, regardless of cause or origin, including omission of the other party hereto, its agents, employees, licensees, or invitees. Landlord and Tenant covenant that no insurer shall hold any right of subrogation against either of such parties with respect thereto. This waiver shall be ineffective against any insurer of Landlord or Tenant to the extent that such waiver is prohibited by the laws and insurance regulations of The Commonwealth of Massachusetts. The parties hereto agree that any and all such insurance policies required to be carried by either party shall be endorsed with a subrogation clause, substantially as follows: "*This insurance shall not be invalidated should the insured waive, in writing prior to a loss, any and all right of recovery against any party for loss occurring to the Premises described therein,*" and shall provide that such party's insurer waives any right of recovery against the other party in connection with any such loss or damage.

(c) Tenant's Risk. Tenant agrees to use and occupy the Premises and to use such other portions of the property owned by Landlord as Tenant is herein given the right to use at Tenant's own risk and Tenant assumes liability for any and all injury, loss or damage to any person or property on the Premises or other such property, whether covered by insurance or not. Landlord shall not be liable to Tenant, its employees, agents, invitees or contractors for any damage, injury, loss, compensation, or claim (including, but not limited to, claims for the interruption of or loss to Tenant's business) based on, arising out of or resulting from any cause whatsoever, including, but not limited to, Improvements to any portion of the Premises or other property owned by the Landlord, any fire, robbery, theft, mysterious disappearance and/or any other crime or casualty, the actions of any other tenants of the Building (if any) or of any other person or persons, or any leakage in any part or portion of the Premises or the Building, or from water, rain or snow that may leak into, or flow from any part of the Premises or the Building, or from drains, pipes or plumbing fixtures in the Building, unless due to the gross negligence or willful misconduct of Landlord or Landlord's agents, contractors or employees. Any goods, property or personal effects stored or placed in or about the Premises shall be at the sole risk of Tenant, and neither Landlord nor Landlord's insurers shall in any manner be held responsible therefor. Landlord shall not be responsible or liable to Tenant, or to those claiming by, through or under Tenant, for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying adjoining premises or any part of the premises adjacent to or

connecting with the Premises or any part of the other property owned by the Landlord or otherwise. Notwithstanding the foregoing, Landlord shall not be released from liability for any injury, loss, damages or liability to the extent arising from any gross negligence or willful misconduct of Landlord, its servants, employees or agents acting within the scope of their authority on or about the Premises; provided, however, that in no event shall Landlord, its servants, employees or agents have any liability to Tenant based on any loss with respect to or interruption in the operation of Tenant's business. The provisions of this Section 3.2(d) shall be applicable from and after the execution of this Lease and until the end of the Term of this Lease, and during any additional period as Tenant may use or be in occupancy of any part of the Premises or of the Building.

(d) Tenant's Other Liability. Tenant further covenants and agrees to restore, repair and replace any furniture, furnishings, fixtures or equipment of Landlord on the Premises which may be lost, damaged or destroyed during the Term of this Lease, except to the extent of Landlord's negligence.

(e) Taxes, Levies and Charges. Real estate taxes and all other government levies and charges, general and special, foreseen and unforeseen, assessed against or levied on the Premises or any betterments and attributable in whole or in part to the Term of the Lease with respect to the Premises, to the extent there are any, shall be imputed to the Tenant. Landlord shall present to Tenant copies of the statements for such real estate taxes and all other government levies and charges promptly after they are received. Tenant shall pay to Landlord, as Additional Rent, an amount equal to the full amount due under such statements on the Rent Payment Date next preceding the date on which such amount is due and payable in accordance with such statements. If Tenant desires to have proceedings instituted for an abatement of any real estate taxes or other such levies or charges upon the Premises and so requests in writing, Landlord may but is not obligated to institute such proceedings, provided, however, in any event, that all costs of such proceeding shall be borne by Tenant. If any abatement is received in accordance with the provisions of this Section 3.2(e), the proceeds thereof, to the extent they represent payments actually made by Tenant to Landlord in accordance with this Section 3.2(e), shall be distributed to Tenant. All remaining proceeds shall be paid to Landlord. Nothing herein shall prevent Landlord, on its own volition, from applying for an abatement of said real estate taxes, levies or charges.

SECTION 4: PAYMENTS

4.1 Payments Accepted. All payments of Annual Base Rent and Additional Rent shall be made to Landlord by check, by wire transfer of immediately available funds or by direct deposit in accordance with account information supplied by Landlord (the "Account"), or to such other person as Landlord may from time to time designate in writing. All payments to be made hereunder shall be deemed paid when received in the Account as determined by the banking institution at which the Account is maintained.

4.2 Account Information. As indicated above, all payments hereunder shall be made by check payable to the Parish and sent in care of the pastor at the notice address for the Parish provided in Section 14.1 hereof.

4.3 Default Interest. Any Annual Base Rent, Additional Rent or any other amounts due and payable under this Lease that have not been paid within thirty (30) calendar days of the due date thereof will bear interest from the original due date until paid in full at an annual rate equal to the prime rate as announced from time to time in the *Wall Street Journal*, or if the *Wall Street Journal* shall no longer exist any comparable financial publication, plus three percent (3%) (the "Default Rate"), which will be due and payable as Additional Rent. Such amounts will accrue on a daily basis.

SECTION 5: SECURITY DEPOSIT.

[This Section intentionally deleted]

SECTION 6: UTILITIES; CERTAIN OTHER CHARGES.

Tenant shall pay for all heating and utility costs associated with the Premises, including but not limited to gas, oil, electricity, water and sewer, cable, telephone or other such charges.

SECTION 7: PERMITTED USES

7.1 Operations. Tenant shall use the Premises solely for the purposes of operating a public school, grades K through 12 or any segment thereof, and all other related uses, Monday through Friday, 7:00 a.m. to 4:00 p.m. and in accordance with the terms and conditions of Section 11.4 of this Lease (the "Permitted Uses"). Tenant may from time to time have occasional use of the Premises for evening and weekend use. Tenant shall not use the Premises for any other purposes or in any way which could reasonably be considered to cause discomfort or annoyance to Landlord or to other tenants or legal occupants of the Building. It is expressly agreed and understood by and between Landlord and Tenant that only Tenant has the use, as set forth in this Lease, of the Premises leased hereunder for the purposes and uses herein stated. Tenant shall not use the Premises in any other manner.

7.2 Landlord's Use of Premises. It is understood that Landlord shall have the right to use the Premises nights and on weekends for Parish Programs or for whatever purposes it deems appropriate during those periods Tenant is not using the Premises or where joint use is possible (e.g., for parking). In the event Landlord utilizes the Premises, Landlord shall be responsible for leaving the Premises in the condition found.

7.3 Cancellation. Notwithstanding anything in this Lease to the contrary the Landlord may cancel this Lease Agreement with or without cause by giving one hundred twenty (120) days prior written notice to the Tenant. At the conclusion of said one hundred twenty (120) day period the term shall expire in the same manner and to the same effect as if it were the expiration of the original term.

SECTION 8: IMPROVEMENTS

8.1 During the Term of this Lease, neither Landlord nor Tenant is obliged by

this Lease to make any repairs, replacements, modifications, improvements, alterations or additions of any nature ("Improvements"), other than those specifically provided in this Lease.

8.2 Tenant shall make all essential non-structural interior repairs to the Premises necessitated by Tenant's occupancy and shall keep the Premises in good repair, excepting only ordinary wear and tear, damage caused by fire and other casualty and repairs for which Landlord is expressly responsible under this Lease.

8.3 Except with respect to necessary repairs for which Tenant is obligated to perform under Section 8.2, Tenant shall make no Improvements to the Premises without the prior written consent of Landlord, which consent may be withheld in its sole discretion. All such Improvements will be made solely at Tenant's cost and expense (which Tenant agrees to pay promptly when due) and must be performed in accordance with plans and specifications approved in writing by Landlord, in its sole discretion, prior to being commenced. All such Improvements will be performed in such manner, and by such persons as will not cause any damage to the Premises. Except as otherwise expressly set forth herein, such work will be performed by general contractors first approved by Landlord, which approval will not unreasonably be withheld or delayed. Tenant shall secure and pay for all licenses and permits necessary for any of the foregoing Improvements. Before any such work is started, Tenant shall deliver to Landlord a statement of the names of all its contractors (as approved by Landlord) and the estimated cost of all labor and material to be furnished by them. Tenant shall cause each contractor to carry (i) workmen's compensation insurance in statutory amounts covering all the contractor's and subcontractor's employees and (ii) comprehensive public liability insurance with such limits as Landlord may reasonably require, but in no event less than a combined single limit of \$1,000,000 (all such insurance insuring Landlord and Tenant as well as the contractors), and, upon request by Landlord, to deliver to Landlord certificates of all such insurance. Landlord may, at its discretion and at the request of Tenant and at Tenant's sole cost and expense, make such Improvements requested by Tenant. All costs associated with such Improvements shall be billed to Tenant and shall constitute Additional Rent.

8.4 If any Improvements are consented to as provided in Section 8.3, Tenant shall, if Landlord notifies Tenant in writing at the time Landlord approves of an Improvement, at the end of the Term remove the same and restore the Premises to the condition and state of construction and arrangement in which they were at prior to the installation thereof, ordinary wear and tear, damage by fire and casualty only excepted (other than to the extent that such casualty is caused by Tenant, its agents, servants, employees and invitees). Landlord may, at its discretion, waive this requirement in writing upon written request from Tenant.

SECTION 9: LANDLORD'S COVENANTS DURING THE TERM

9.1 Landlord covenants during the Term or until earlier termination of this Lease, in each case except for any of the following matters being caused by Tenant, its agents, servants, employees and invitees :

(a) to maintain, repair, and replace as necessary, all structural elements of the Building and Premises, including, without limitation, the roof, the foundation, all load

bearing walls and floor slabs of the Building and Premises, and all exterior elements of the Building;

(b) to maintain in good order and repair all electrical, mechanical, plumbing, heating, fire/life safety and mechanical systems serving the Premises;

(c) to repair, replace, and maintain as necessary all asphalt, brick and concrete and other areas of the sidewalks and facade of the building, and exterior and interior common area lighting; and

(d) to provide and maintain adequate connections with local water supply, sewerage systems, electrical and other utilities.

9.2 Quiet Enjoyment. Tenant, on paying the Rent and performing its obligations hereunder, shall peacefully and quietly have, hold, and enjoy the full possession and the use of the Premises throughout the Term. The foregoing covenant of quiet enjoyment is in lieu of any other covenant, express or implied.

SECTION 10: INTERRUPTIONS

10.1 Landlord will not have any liability for, nor will there be any reduction in Rent on account of (a) any power losses, shortages, or any other interruption in the provision of any utilities not caused by Landlord's negligence, (b) Landlord's entering the Premises for any of the purposes authorized in this Lease, or (c) repairing the Premises or any part thereof to the extent permitted in this Lease. In case Landlord is prevented or delayed from making any Improvements, or furnishing any service or performing any other covenant or duty to be performed on Landlord's part, by reason of any cause beyond Landlord's reasonable control, Landlord shall not be liable to Tenant therefor, nor, except as expressly otherwise provided in this Section 10 or in Section 12, shall Tenant be entitled to any abatement or reduction of Rent by reason thereof.

10.2 Landlord reserves the right to stop any service or utility system when necessary by reason of accident or emergency or until necessary repairs have been completed. Except in case of emergency repairs, Landlord will give Tenant reasonable advance notice of any contemplated stoppage and will use its commercially reasonable efforts and all reasonable diligence to avoid unnecessary inconvenience to Tenant by reason thereof.

10.3 Notwithstanding the foregoing, if as a result of negligence of Landlord, the Premises are rendered untenable to such an extent that Tenant is unable to, and does not actually, occupy and use the Premises or a portion thereof for the operation of its business, and if such problem continues for a period in excess of two (2) consecutive business days, Tenant, as its sole remedy, will be entitled to an abatement for Rent to the extent such Rent is attributable to both the portion of the Premises rendered unfit for use and the period for which it is unfit.

SECTION 11: TENANT'S COVENANTS DURING THE TERM.

Without limiting any other covenant of Tenant under this Lease, Tenant covenants, during the Term and such further time as Tenant occupies any part of the Premises:

11.1 Tenant's Payments. To pay when due (a) all Rent; (b) all taxes which may be imposed on Tenant's personal property in the Premises (including, without limitation, Tenant's fixtures and equipment) regardless to whomever assessed, and (c) all other payments required to be made by Tenant under this Lease.

11.2 Yielding Up. At the expiration or termination of this Lease, to peaceably yield up the Premises, and all alterations and additions therein, in good order, repair and condition, reasonable wear and tear, casualty and condemnation only excepted. Prior to yielding up the Premises, Tenant shall remove all goods and effects of Tenant and all of Tenant's Trade Fixtures and any Improvements specified pursuant to Section 8.1 and shall repair all damage caused by such removal and shall leave the Premises in broom clean condition.

11.3 Occupancy and Use.

(a) To use and occupy the Premises only for the Permitted Uses;

(b) not to injure or deface the Premises;

(c) not to use or permit any use of the Premises which will (i) make voidable the insurance covering the Building or its contents, or (ii) increase the premiums for any insurance on the Building or on the contents of the Premises (Tenant hereby agreeing that if such premiums are increased Tenant shall reimburse Landlord for the costs of all such increased insurance premiums caused by Tenant's use of the Premises and all such amounts will constitute Additional Rent and will accrue immediately) or (iii) require any alteration or addition to the Building;

(d) not to dump, flush, or in any way introduce any hazardous substance or any other toxic substances into the septic, sewage, or other waste disposal system serving the Premises; not to generate, store or dispose of hazardous substances in or on the Premises (excluding normal office and cleaning supplies [and Tenant's inventory], without first submitting to Landlord a list of all such hazardous substances and all permits required therefor and thereafter providing to Landlord on an annual basis Tenant's certification that all such permits have been renewed with copies of such renewed permits) or dispose of hazardous substances from the Premises to any other location without the prior written consent of Landlord and then only in compliance with the Resource Conservation and Recovery Act of 1976, as amended 42 U.S.C. § 6901 et seq., the Massachusetts Hazardous Waste Management Act, G.L. c. 21C, as amended, the Massachusetts Oil and Hazardous Material Release Prevention and Response Act, G.L. c. 21E, as amended, and all other applicable laws, ordinances, and regulations;

(e) If the transportation, storage, use or disposal of hazardous substances anywhere on the Premises in connection with Tenant's use of the Premises results in (i) contamination of the soil or surface or ground water or (ii) loss or damage to person(s) or property, then Tenant agrees (1) to notify Landlord immediately of any contamination, claim of contamination, loss or damage, (2) after consultation with and approval by Landlord, to clean up all contamination in full compliance with all applicable statutes, regulations and standards, and (3) to indemnify, defend, and hold Landlord harmless from and against any claims, suits, causes of action, costs and fees, including, without limitation, attorneys' fees, arising from or connected with any such contamination, claim of contamination, loss or damage, Tenant hereby agreeing that this provision shall survive the termination of this Lease and that no consent or approval of Landlord shall in any way be construed as imposing upon Landlord any liability for the means, methods, or manner of removal, containment, or other compliance with applicable law for and with respect to the foregoing and that it is the specific intent and purpose hereof to ensure that Tenant takes no actions on or at the Premises that would result in either the Premises or Tenant's activities therein failing to comply with any applicable governmental orders or regulations. ("hazardous substances" shall have the meaning as defined in the Comprehensive Environmental Response Compensation and Liability Act of 1980, as amended, 42 U.S.C. §9601 and regulations adopted pursuant to said Act);

(f) to notify Landlord of any incident which would require filing of a notice under applicable federal, state, or local law; and

(g) without limiting its obligations pursuant to Sections 7 or 8,(i) to conduct its operations under this Lease in strict compliance with, and not to permit any use or activity contrary to, the laws of the United States (including, without limitation, Title III of the Americans with Disabilities Act if applicable to Tenant's use of the Premises), the laws of The Commonwealth of Massachusetts and the ordinances, standards, rules, and requirements, if any, established by the City of Haverhill or any other state or municipal agency having jurisdiction; (ii) to comply with the orders and regulations of all governmental authorities with respect to zoning, building, fire, health and other codes, regulations, ordinances or laws applicable to the Premises and not to be contrary to any codes or standards from time to time established by the National Fire Protection Association (or any successor organization), (iii) to make, at its sole cost and expense, all Improvements to the Premises required by such codes, regulations, ordinances, or laws as a result of Tenant's use of the Premises, and to keep the Premises equipped with all safety appliances so required (Landlord may, if it so elects, make any of the Improvements referred to in this section that affect the Building structure or the Building systems, and Tenant shall reimburse Landlord for the cost thereof on demand, such amounts constituting Additional Rent); at Tenant's sole cost and expense, to procure and pay for all licenses, certificates, and permits necessary for the conduct of its operations hereunder and its occupancy of the Premises (including, without limitation, payment for any Improvements of any nature which are necessary in order to obtain and maintain all such licenses, certificates, and permits);

11.4 To:

(a) keep the inside and outside of all glass in the doors and windows of the Premises reasonably clean;

(b) replace promptly any cracked or broken glass of the Premises with glass of like kind and quality;

(c) maintain the Premises in a clean, orderly and sanitary condition and free of insects, rodents, vermin and other pests;

(d) keep any garbage, trash, rubbish or other refuse in vermin-proof containers within the interior of the Premises until removed (and Tenant shall cause the Premises to be inspected and exterminated on a regular basis by a reputable, licensed exterminator and shall provide Landlord, on request, with a copy of Tenant's contract for such services);

(e) keep all mechanical apparatus free of vibration and loud noise which may be transmitted beyond the Premises; and

(f) Keep the parking areas and access to the Premises and Building free and clear of ice and snow

11.5 To not:

(a) place or maintain any trash, refuse or other articles in any vestibule or entry of the Premises, on the sidewalks or corridors adjacent thereto or elsewhere on the exterior of the Premises so as to obstruct any corridor, stairway, sidewalk or common area;

(b) permit undue accumulations of or burn garbage, trash, rubbish or other refuse within or without the Premises;

(c) cause or permit objectionable odors to emanate or to be dispelled from the Premises; or

(d) commit, or suffer to be committed, any waste upon the Premises or any public or private nuisance or other act or thing which may disturb the quiet enjoyment of any other tenant or occupant of the Building.

11.6 Rules and Regulations. To comply with rules and regulations, as may be reasonably promulgated in good faith and in writing from time to time by Landlord, for the care and use of the Premises and their facilities and approaches and provided such rules and regulations do not unreasonably interfere with the Tenant's use and enjoyment of the Premises or impose any unreasonable additional costs on Tenant and are not applied or enforced in a discriminatory manner.

11.7 Landlord's Right of Entry. To permit Landlord and Landlord's agents, contractors, and employees entry: (a) upon reasonable notice (except no notice is required in the event of any emergency), and at reasonable times, to make repairs, alternations or substitutions for the protection and maintenance of the Building or Premises or any part thereof; (ii) to examine the Premises upon reasonable notice (except no notice is required in the event of any

emergency), at reasonable times in the company of a Tenant representative; (iii) upon not less than five (5) calendar days' prior notice, to remove, at Tenant's expense, any Improvements, signs, shades, awnings, aerials, flagpoles, or the like required to be approved by and not approved by Landlord; and (iv) to show the Premises to prospective tenants during the six (6) months preceding the expiration of the Term and to any prospective mortgagees at all reasonable times upon written notice to Tenant.

11.8 Tenant's Property. All the furnishings, fixtures, furniture, equipment, inventory, effects and property of every kind, nature and description of Tenant and of all persons claiming by, through or under Tenant which may be on the Premises during the Term of this Lease or any occupancy of the Premises by Tenant or anyone claiming under Tenant, as well as all property that may be brought to the Premises by Tenant ("Tenant's Property"), will remain the personal property of Tenant or such other person and will be at the sole risk and hazard of Tenant, and if the whole or any part thereof is destroyed or damaged by fire, water or otherwise, or by the leakage or bursting of water pipes, steam pipes, or other pipes, by theft, or from any other cause or in any other way or manner, no part of said loss or damage is to be charged to or to be borne by Landlord in any case whatsoever unless and to the extent, subject to the provisions of Section 14.19 hereof, due to the gross negligence of Landlord, its employees, agents, contractors or other representatives.

11.9 Security. To provide, at all times and under all circumstances during the Term of this Lease, adequate security to the Premises and its own personnel.

11.10 Labor or Materialmen's Liens. To pay promptly when due the entire cost of any work done on the Premises by Tenant, its agents, employees, or independent contractors, unless Tenant is disputing such items in good faith; not to cause or permit any liens for labor or materials performed or furnished in connection therewith to attach to the Premises; and to discharge or bond off any such liens which may so attach within thirty (30) calendar days of notice of the same.

11.11 Holdover. To vacate the Premises immediately upon the expiration or sooner termination of this Lease. If Tenant retains possession of the Premises or any part thereof after the expiration or termination of the Term without Landlord's express prior written consent, Tenant shall pay Landlord Annual Base Rent at double the monthly rate specified in Section 3.1 for the time Tenant thus remains in possession and, in addition thereto, shall pay Landlord for all damages, consequential as well as direct, sustained by reason of Tenant's retention of possession. The provisions of this Section 11.11 do not exclude or be deemed to constitute a waiver of Landlord's rights of re-entry or any other right hereunder, including, without limitation, the right to refuse triple the monthly Annual Base Rent and instead to remove Tenant through summary proceedings for holding over beyond the expiration of the Term of this Lease. Such holding over shall not be deemed to create any tenancy, but Tenant shall be a tenant at sufferance only.

11.12 Signs. Not to erect any signs visible from the exterior of the Building, excepting the existing sign(s) which have already been approved by Landlord, or in any way alter the exterior of the Premises without Landlord's prior written consent.

11.13 No Transfers. Not to assign, sublet, underlet, mortgage, pledge or encumber all or any part of the Lease or any of Tenant's rights or obligations hereunder.

11.14 Indemnity.

(a) Except to the extent arising from the gross negligence or willful misconduct of Landlord or its agents or employees, to defend, with counsel approved by Landlord, all actions against Landlord, any trustee, manager, member, beneficiary, agent, employee, representative or any other affiliate of Landlord (collectively, "Indemnified Parties"), and to pay, protect, indemnify and save harmless all Indemnified Parties from and against any and all liabilities, losses, damages, costs, expenses (including reasonable attorneys' fees and expenses), causes of action, suits, claims, demands or judgments of any nature owed to or asserted by any third party arising from or related to (a) injury to or death of any person, or damage to or loss of property, occurring in or on the Premises or connected with the use, condition, or occupancy of any thereof, unless caused by the negligence of Landlord or its servants or agents; (b) violation of any of the provisions of this Lease by Tenant; (c) any act, fault, omission, or other misconduct of Tenant or its agents, employees, representatives, contractors, licensees, invitees, assignees or sublessees; (d) any violation of any federal, state, or local statute, ordinance, or bylaw, including, without limiting the generality of the foregoing, any violation of Title III of the Americans with Disabilities Act arising from or related to this Lease; (e) any charges assessed under state, local, and federal statutes and ordinances governing the use, occupancy, or both, of the Premises; or (f) Tenant's use and occupancy of the Premises.

(b) To indemnify Landlord for all costs and expenses incurred in connection with the reasonable enforcement of the terms and provisions of this Lease.

This Section 11.14 will survive expiration or earlier termination of this Lease.

11.15 Cleaning, etc.. The cleaning of the Premises shall be the sole responsibility and at the sole cost and expense of the Tenant. Tenant shall at its sole cost and expense provide such cleaning, janitorial, and maintenance services of the Building and the rest of the Premises as may be reasonably required including, but not limited to, trash removal. Tenant shall also be responsible for keeping the parking areas, walkways, stairs and access to the Premises free of snow and ice.

11.16 Pets. No pets shall be allowed on or in the Premises, except in the case of service animals.

SECTION 12: DAMAGE; DESTRUCTION; CONDEMNATION

12.1 Fire or other casualty.

(a) Subject to the provisions of Section 12.1(b) hereof, in the event during the Term hereof any portion of the Building or Premises shall be partially damaged (as distinguished from "Substantially Damaged" as such term is hereinafter defined) by fire,

explosion, casualty or any other occurrence covered or as may be required to be covered by Landlord's insurance as herein provided; Landlord shall forthwith proceed to repair such damage and restore the Building (including the Premises) but exclusive of Tenant's Property and leasehold improvements installed by Tenant, to substantially its condition at the time of such fire, explosion, casualty or occurrence. Landlord shall not be responsible for any delay which may result from any cause beyond Landlord's reasonable control.

(b) In the event of a casualty which renders the Building or the Premises unfit for use or occupancy by Tenant, then Landlord will make a determination in its reasonable judgment as to whether or not Landlord, using its commercially reasonable efforts, and proceeding diligently, can repair or restore the Building or Premises (exclusive of Tenant's Property and leasehold improvements installed by Tenant) to their condition prior to said casualty within a period of ninety (90) days from the date of such casualty. Within thirty (30) days of any such casualty, Landlord shall provide Tenant notice of its intent to repair or restore the Building or Premises to their condition prior to such casualty within such 90-day period. If, however, Landlord, exercising its reasonable judgment, determines that said repair or restoration cannot be completed within a period of ninety (90) days from the date of such casualty (in which case the Building and Premises shall be deemed to be "Substantially Damaged"), then either Landlord or Tenant, upon ten (10) calendar days' prior notice, may terminate this Lease without further obligation on either party's part, except for the return of any pre-paid Rent, pro-rated to the time of the casualty. If this Lease is not terminated pursuant to the terms of this Section 12.1(b), then Landlord shall perform such repairs set forth in Section 12.1(c) hereof and Tenant shall perform such repairs as set forth in Section 12.1(d) hereof and the Term shall continue without interruption and this Lease shall remain in full force and effect, except as otherwise expressly provided herein.

(c) If this Lease is not terminated pursuant to the terms of Section 12.1(b) hereof and if Tenant is not then in default of any of its obligations under this Lease beyond any applicable notice and cure period provided for herein, Landlord shall, provided the mortgagee of the Building makes insurance proceeds available for restoration, reconstruct the Building and Premises using such insurance proceeds only (it being understood by Tenant that Landlord shall not be responsible for any reconstruction of leasehold improvements constructed by Tenant, which reconstruction is the sole responsibility of Tenant) to substantially its condition at the time of such damage, but Landlord shall not be responsible for any delays which may result from any cause beyond Landlord's reasonable control. In the event the repairs and restoration are not completed within said period of ninety (90) days from the date of such casualty, then, at any time thereafter, Tenant may terminate the Lease at its sole election.

(d) If this Lease is not terminated as provided in Section 12.1(b) hereof, Tenant shall, at its own cost and expense, repair and restore leasehold improvements constructed by Tenant in the Premises in accordance with the provisions of this Section 12, including, but not limited to, the repairing or replacement of its merchandise, Trade Fixtures, furnishings and equipment in a manner and to at least a condition equal to that prior to its damage or destruction. Tenant agrees to commence the performance of its work when notified by Landlord that the work to be performed by Tenant can, in accordance with good construction practices, then be commenced and Tenant shall complete such work as promptly thereafter as is practicable, but in

no even more than ninety (90) days thereafter except for causes beyond the Tenant's reasonable control, including governmental permitting.

(e) All proceeds payable from Landlord's insurance policies with respect to the Building shall belong to and shall be payable to Landlord. If this Lease is not terminated as provided in Section 12.1(b) hereof, Landlord shall disburse and apply so much of any insurance recovery as shall be necessary against the cost to Landlord of restoration and reconstruction of the Building and Premises referred to in Section 12.1(c) hereof, subject to the rights of any holder of any mortgage liens against the Building.

(f) In the event that the provisions of Section 12.1(a) or Section 12.1(b) shall become applicable, the Annual Base Rent and Additional Rent will be abated or reduced proportionately during any period in which Tenant may be required to discontinue in whole or in part its business on the Premises, and such abatement or reduction will continue for the period commencing with such destruction or damage and ending with the completion by Landlord of such work of restoration or reconstruction as Landlord is obligated to do hereunder (exclusive of any of Tenant's fixtures, furnishings, equipment and the like or work performed therein by Tenant and the prompt completion of any required Tenant leasehold improvements).

12.2 Eminent Domain.

(a) If after the execution and before termination of this Lease, access to the Premises shall be materially reduced as a direct result of a taking by eminent domain or in the event of conveyance in lieu thereof, or more than ten percent (10%) of the Premises is so taken or conveyed or such lesser amount, if such taking or conveyance otherwise materially interferes with the Tenant's use and enjoyment of the Premises, then, at the election of Tenant, the Lease shall terminate as of the day possession shall be taken by such authority, and Tenant shall pay Rent up to that date, with a pro-rata refund by Landlord of such Rent as will have been paid in advance for a period subsequent to the date of the taking of possession.

(b) If after the execution and before termination of this Lease, as a direct result of a taking by eminent domain or in the event of conveyance in lieu thereof, access to the Premises is not materially reduced or if less than ten percent (10%) of the Premises is taken or conveyed, or if such taking does not otherwise materially interfere with Tenant's use and enjoyment of the Premises, then, at the election of Tenant, this Lease will terminate only as respects the portions so taken or conveyed, as of the day possession is taken, and Tenant shall pay Rent up to that day, with an appropriate refund by Landlord of such Rent as may have been paid in advance for a period subsequent to the date of the taking of possession, and thereafter the Annual Base Rent will be equitably adjusted. Pending agreement of such Rent adjustment, Tenant agrees to pay to Landlord the Annual Base Rent in effect immediately prior to the taking by eminent domain, reduced pro-rata by the square footage taken. Landlord shall, at its expense, make all necessary repairs or alterations so as to reconstitute the remaining portion of the Premises a complete architectural unit and in substantially the same conditions as prior to the taking.

(c) If after the execution and before termination of this Lease, as a direct result of a taking by eminent domain or in the event of conveyance in lieu thereof, access to the Premises is materially reduced or more than ten percent (10%) of the Premises is taken or conveyed (or if Tenant otherwise has the right to terminate this Lease pursuant to Section 12.2(a)) and Tenant has not elected to terminate, the Term will cease only as respects the part so taken or conveyed, from the day possession is taken, and Tenant shall pay Rent to that date with an appropriate refund by Landlord of such Rent as may have been paid in advance for a period subsequent to the date of the taking of possession, but Landlord will have the right to terminate this Lease upon notice to Tenant in writing within thirty (30) calendar days after such taking of possession. If Landlord does not elect to terminate the Lease, all of the terms herein provided shall continue in effect except that the Annual Base Rent and Additional Rent will be equitably adjusted, and Landlord shall make all necessary repairs or alterations so as to constitute the remaining portion of the Premises a complete architectural unit and in substantially the same condition as prior to the taking.

(d) All compensation awarded for any such taking or conveyance, whether for the whole or a part of the Premises, except as expressly provided below, will be awarded to Landlord. Tenant hereby assigns to Landlord all of Tenant's right, title and interest in and to any and all such compensation except as provided below. Notwithstanding any of the foregoing, the Tenant will be entitled to seek a separate award for Tenant's leasehold improvements, leasehold interest, Trade Fixtures, relocation expenses and any other claim permitted by law. In the event of any taking of the Premises or any part thereof for temporary use, this Lease will be and remain unaffected thereby and Annual Base Rent and Additional Rent will be equitably adjusted.

SECTION 13: DEFAULT

13.1 Events of Default. If any default in the payment of Annual Base Rent, Additional Rent or any other monetary obligation due to Landlord by Tenant (a "Monetary Default") is not cured within ten (10) calendar days of written notice of such Monetary Default from Landlord to Tenant, *provided, however*, Landlord shall not be required to give more than two (2) such written notices during any twelve (12) month period, in which case Landlord may exercise its remedies under this Section 13 immediately upon any such Monetary Default; or if any other default under the terms hereof continues for more than thirty (30) calendar days following written notice thereof from Landlord to Tenant plus such additional time, if any, as is reasonably necessary to cure the default if the default is of such a nature that it can be cured but cannot reasonably be cured in thirty (30) calendar days and Tenant is diligently and continuously endeavoring to cure such default; or if Tenant files a petition under any chapter of the U.S. Bankruptcy Code, 11 U.S.C. 101 et seq., as it may be amended, or if any such petition is filed against Tenant and is not dismissed within ninety (90) calendar days; or if Tenant commences any dissolution, liquidation, composition, financial reorganization or recapitalization with creditors, makes an assignment or trust mortgage for benefit of creditors; or if a receiver, trustee, custodian or similar agent is appointed or takes possession with respect to any property of Tenant and such appointment as ordered is not dismissed within ninety (90) calendar days; or if the leasehold hereby created is taken on execution or other process of law in any action against Tenant; then, and in any such case, Landlord and the agents and servants of Landlord may, in addition to and not in derogation of any remedies for any preceding breach of covenant,

immediately or at any time thereafter while such default continues and without further notice, at Landlord's election, do any one or more of the following: (1) give Tenant written notice stating that the Lease is terminated, effective ten (10) calendar days after the giving of such notice or upon a date stated in such notice, as Landlord may elect, in which event the Lease shall be irrevocably terminated as stated in such notice without any further action, or (2) with an execution for possession issued by a court of competent jurisdiction, enter and repossess the Premises as of Landlord's former estate, and expel Tenant and those claiming through or under Tenant, and remove its and their effects, without being guilty of trespass, in which event the Lease shall be irrevocably terminated at the time of such entry, or (3) pursue any other rights or remedies permitted by law. Any such termination of the Lease will be without prejudice to any remedies which might otherwise be used for arrears of Rent or prior breach of covenant, and, in the event of such termination, Tenant shall remain liable under this Lease as hereinafter provided. In any such event, Tenant hereby waives all statutory rights (including, without limitation, rights of redemption, if any) to the extent such rights may be lawfully waived, and Landlord, without notice to Tenant, may store Tenant's effects and those of any person claiming through or under Tenant at the expense and risk of Tenant and, if Landlord so elects, after not less than thirty (30) calendar days' written notice without Tenant's having removed its property from the Premises, may sell such effects at public auction or private sale and apply the net proceeds thereof to the payment of all sums due to Landlord from Tenant, if any, and pay over the balance, if any, to Tenant.

13.2 Tenant's Obligations after Termination. In the event that this Lease is terminated under any of the provisions contained in Section 13.1, Tenant shall pay forthwith to Landlord, as compensation, the excess of the total Rent reserved for the residue of the Term over the fair market rental value of the Premises for the residue of the Term. In calculating the Rent reserved there shall be included, in addition to the Annual Base Rent and Additional Rent, the value of all other considerations agreed to be paid or performed by Tenant during the residue of the Term. As additional and cumulative obligations after any such termination, Tenant shall also pay punctually to Landlord all the sums and shall perform all the obligations that Tenant covenants in this Lease to pay and to perform in the same manner and to the same extent and at the same time as if this Lease had not been terminated. In calculating the amounts to be paid by Tenant pursuant to the preceding sentence, Tenant shall be credited with any amount paid to Landlord pursuant to the first sentence of this Section 13.2 and also with the net proceeds of any Rent obtained by Landlord by re-letting the Premises, after deducting all Landlord's reasonable expenses in connection with such re-letting, including, without limitation, all repossession costs, brokerage commissions, fees for legal services, and expenses of preparing the Premises for such re-letting, it being agreed by Tenant that Landlord may (i) re-let the Premises or any part or parts thereof for a term or terms that may, at Landlord's option, be equal to or less than or exceed the period that would otherwise have constituted the balance of the Term hereof and may grant such concessions and free rent as Landlord in its reasonable judgment considers advisable or necessary to re-let the same and (ii) make such alterations, repairs, and decorations in the Premises as Landlord in its reasonable judgment considers advisable or necessary to re-let the same, and no action of Landlord in accordance with the foregoing or failure to re-let or to collect rent under re-letting shall operate or be construed to release or reduce Tenant's liability as aforesaid.

13.3 Nothing contained in this Lease will limit or prejudice the right of Landlord to prove and obtain, in proceedings for bankruptcy or insolvency by reason of the termination of this Lease, an amount equal to the maximum allowed by any statute or rule of law in effect at the time when, and governing the proceedings in which, the damages are to be proved, whether such amount be greater, equal to, or less than the amount of the loss or damages referred to above.

13.4 Landlord shall in no event be in default in the performance of any of Landlord's obligations hereunder unless and until Landlord has failed to perform such obligations within thirty (30) days, or such additional time as is reasonably required to correct any such default, after notice by Tenant to Landlord specifying Landlord's defaulted obligation. Tenant shall have no right, for any default by Landlord, to offset or counterclaim against any Rent due hereunder.

SECTION 14: MISCELLANEOUS

All notices will be deemed received on the day immediately following the day on which such notice is deposited with the U.S. Postal Service or national overnight carrier, as applicable.

14.2 Bind and Inure. This Lease is binding upon and inures to the benefit of the parties hereto and their respective authorized successors and assigns, except that Landlord named herein and each successive owner of the Premises will be liable only for the obligations accruing during the period of its ownership. No officer, trustee, manager, member, beneficiary, employee or any other affiliate of Landlord will be personally liable or subject to levy, execution or other enforcement procedure against their personal assets for the satisfaction of the remedies of Tenant against Landlord. The reference herein to authorized successors and assigns of Tenant is not intended to constitute consent to assignment from Landlord to Tenant, but has reference only to those instances in which Landlord may later give consent to a particular assignment as permitted by the provisions of this Lease.

14.3 No Surrender. The delivery of keys to any employee of Landlord or to Landlord's agent or any employee thereof will not operate as a termination of this Lease or a surrender of the Premises.

14.4 No Waiver, Etc. The failure of Landlord or of Tenant to seek redress for violation of, or to insist upon the strict performance of any covenant or condition of this Lease, or, with respect to such failure of Landlord, any of the rules and regulations referred to in Section 11.6 hereof, whether heretofore or hereafter adopted by Landlord, shall not be deemed a waiver of such violation nor prevent a subsequent act, which would have originally constituted a violation, from having all the force and effect of an original violation. The receipt by Landlord of Annual Base Rent or Additional Rent with knowledge of the breach of any covenant of this Lease shall not be deemed a waiver of such breach by Landlord, unless such waiver is in writing and signed by Landlord. No consent or waiver, express or implied, by Landlord or Tenant to or of any breach of any agreement or duty will be construed as a waiver or consent to or of any other breach of the same or any other agreement or duty.

14.5 No Accord and Satisfaction. No acceptance by Landlord of a lesser sum than the Rent then due shall be deemed to be other than on account of the earliest installment of such Rent due, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as Rent be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such installment or pursue any other remedy provided in this Lease or at law or in equity.

14.6 Cumulative Remedies. The specific remedies to which Landlord may resort under the terms of this Lease are cumulative and are not intended to be exclusive of any other remedies or means or redress to which it may be lawfully entitled in case of any breach or threatened breach by Tenant of any provisions of this Lease. In addition to the other remedies provided in this Lease, Landlord may seek injunctive relief regarding any attempted or threatened violation of any of the covenants, conditions or provisions of this Lease or to a decree compelling specific performance of any such covenants, conditions or provisions. Tenant shall immediately reimburse Landlord for any expense incurred by Landlord in curing Tenant's failure to satisfy any of its obligations (notwithstanding the fact that such cure might be effected by Landlord following the expiration or earlier termination of this Lease).

14.7 Landlord's Right to Cure. If Tenant defaults at any time in the performance of any obligation under this Lease beyond the applicable notice and grace period or cure period, if any, then, if Tenant has failed to cure or to have commenced to cure such default within five (5) calendar days following an additional written notice to Tenant (but in cases of emergency, no notice will be required), Landlord will have the right, but not the obligation, to enter upon the Premises, if necessary, and to perform such obligation, notwithstanding the fact that no specific provision for such substituted performance by Landlord is made in this Lease with respect to such default. In performing such obligation, Landlord may make any payment of money or perform any other act. All sums so paid by Landlord (together with interest at the Default Rate and all necessary and reasonable incidental costs and expenses in connection with the performance of any such act by Landlord) shall be deemed to be Additional Rent under this Lease and shall be payable to Landlord immediately on demand. Landlord may exercise the foregoing rights without waiving any other of its rights or releasing Tenant from any of its obligations under this Lease.

14.8 Estoppel Certificate. Tenant agrees, from time to time, upon not less than thirty (30) calendar days' prior written request by Landlord, to execute, acknowledge and deliver to Landlord a statement in writing certifying that this Lease is unmodified and in full force and effect; that Tenant has no defenses, offsets or counterclaims against its obligations to pay the Annual Base Rent and Additional Rent and to perform its other covenants under this Lease; that there are no uncured defaults of Landlord or Tenant under this Lease (or, if there have been modifications, or if there are any defenses, offsets, counterclaims, or defaults, setting them forth in reasonable detail); and the dates to which the Annual Base Rent, Additional Rent and other charges have been paid. Any such statement delivered pursuant to this Section 14.8 shall be in a form reasonably acceptable to and may be relied upon by a prospective purchaser or mortgagee of the Building or the Premises or any prospective assignee of any such mortgagee.

14.9 Acts of God. In any case where either party hereto is required to do any act and delays are caused by or result from causes beyond such party's reasonable control, these delays will not be counted in determining the time during which the work or cure must be completed, whether such time be designated by a fixed date, fixed time or a "reasonable time" and such time will be deemed to be extended by the period of such delay.

14.10 Submission Not an Offer. The submission of a draft of this Lease or a summary of some or all of its provisions does not constitute an offer to lease or demise the

Premises, it being understood and agreed that neither Landlord nor Tenant will be legally bound with respect to the leasing of the Premises unless and until this Lease has been executed by both Landlord and Tenant and a fully executed copy has been delivered to each of them.

14.11 Service of Process; Jury Trial Waiver.

(a) TENANT AND LANDLORD EACH HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (I) ARISING UNDER THIS LEASE OR (II) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO IN RESPECT OF THIS LEASE OR ANY AGREEMENT OR TRANSACTION RELATED HERETO OR THERETO IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY OR OTHERWISE. TENANT AND LANDLORD EACH HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT TENANT OR LANDLORD MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS LEASE WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

(b) Tenant and Landlord each hereby consents to the service of process in the manner provided for notices under this Lease.

14.12 Severability. If any term, covenant, condition or provision of this Lease or the application thereof to any person or circumstances is declared invalid or unenforceable by the final ruling of a court of competent jurisdiction having final review, the remaining terms, covenants, conditions and provisions of this Lease and their application to persons or circumstances will not be affected thereby and will continue to be enforced and recognized as valid agreements of the parties, and in the place of such invalid or unenforceable provision, there will be substituted a like, but valid and enforceable provision which comports to the findings of the aforesaid court and most nearly accomplishes the original intention of the parties. Notwithstanding the previous sentence, it is expressly understood and agreed by Landlord and Tenant that if Section 7.3 is severed, found invalid or unenforceable for any reason, this Lease Agreement will terminate upon written notice from Landlord, such termination to become immediately effective upon Landlord giving notice thereof.

14.13 Integration. This Lease supersedes all prior oral or written agreements or understanding concerning the terms hereof and constitutes and represents the complete and final agreement between the parties hereto.

14.14 Headings. The titles of the several Sections contained herein are for convenience only and must not be considered in construing this Lease.

14.15 Unless repugnant to the context, the words "Landlord" and "Tenant" appearing in this Lease shall be construed to mean those named above and their respective heirs,

executors, administrators, successors and assigns, and those claiming through or under them, respectively.

14.16 Amendments. This Lease may be amended and the provisions hereof may be waived or modified, only by instruments in writing executed by Landlord and Tenant.

14.17 Authority of Tenant. Tenant represents and warrants to Landlord (which representations and warranties shall survive the delivery of this Lease) that: (a) Tenant has the power to execute and deliver and perform its obligations under this Lease; and (b) (i) the execution, delivery, and performance by Tenant of its obligations under this Lease have been duly authorized, and will not violate the organizational documents of the Tenant or any indenture, agreement or other instrument to which it is a party or by which it is bound; and (ii) the signatory to this Lease is duly authorized to execute this Lease on the Tenant's behalf.

14.18 Authority of Landlord. Landlord represents and warrants to Tenant (which representations and warranties shall survive the delivery of this Lease) that: (a) Landlord (i) is a Corporation Sole, established and maintained as a religious corporation pursuant to Chapter 506 of the Massachusetts Acts of 1897, (ii) has the power and authority to carry on businesses now being conducted and is qualified to do business in Massachusetts, and (iii) has the power to execute and deliver and perform its obligations under this Lease; and (b) the execution, delivery and performance by Landlord of its obligations under this Lease have been duly authorized by all requisite organizational action and will not violate the organizational documents of Landlord or any indenture, agreement, or other instrument to which it is a party or by which it is bound.

14.19 Mutual Waiver of Claims. Insofar as and to the extent that the following provisions may be effective without invalidating or making it impossible to secure insurance coverage from responsible insurance companies doing business in The Commonwealth of Massachusetts (even though extra premium may result therefrom): Landlord and Tenant mutually agree that with respect to any loss which is covered by insurance then being carried by them, the one carrying such insurance and suffering said loss releases the other of and from any and all claims with respect to such loss; and they further mutually agree that their insurance companies will have no right of subrogation against the other on account thereof. In the event that an additional premium is payable by either party as a result of this provision, the other party shall reimburse the party paying such premium the amount of such extra premium. If, at the written request of one party, this release and non-subrogation provision is waived, then the obligation of reimbursement will cease for such period of time as such waiver will be effective, but nothing contained in this Section will be deemed to modify or otherwise affect any releases elsewhere contained in this Lease. Notwithstanding the forgoing, each party reserves any rights with respect to any excess of loss or injury over the amount recovered by such insurance.

14.20 Counterparts. This Lease may be executed in any number of counterparts, but all of such counterparts will together constitute but one and the same agreement. In making proof of this Lease, it will not be necessary to produce or account for more than one counterpart thereof signed by each of the parties hereto. Delivery of an executed counterpart of this Lease by facsimile or other electronic method of transmission will have the same force and effect as delivery of an original executed counterpart of this Lease.

14.21 Limitation on Damages. Neither Landlord nor Tenant will be liable to the other for any consequential damages, including, without limitation, any so-called "lost profits". Nor shall Landlord be liable to Tenant for any reason for any losses resulting from any computer or electronics failures, including, without limitation, any losses or damages suffered in connection with a loss of data.

14.22 Enforcement Expenses. Unless prohibited by applicable law, Tenant agrees to pay to Landlord the amount of all fees and expenses (including, without limitation, attorneys' fees and costs) incurred by Landlord arising out of or resulting from any act or omission by Tenant with respect to this Lease or the Premises, including, without limitation, any breach by Tenant of its obligations hereunder, irrespective of whether Landlord resorts to litigation as a result thereof.

14.23 Interpretation. Unless indicated otherwise, the term "or" in this document is used in the inclusive sense.

14.24 Survival. In addition to those provisions specifically noted as surviving termination of this Lease, the following provisions will survive termination of this Lease: this Section 14.24 (Survival), Section 11.11 (Holdover), and Section 14.1 (Notices). In addition, if the Lease is terminated because of a breach of the Lease by the non-terminating party, the terminating party's right to pursue all legal remedies will survive such termination unimpaired.

[Remainder of page intentionally left blank; signature page to follow]

IN WITNESS WHEREOF, the parties hereto have caused this Lease to be duly executed as an instrument under seal and delivered as of the day and year first above written.

HAVCITYCLERK

To The Honorable City Council,

Please find attached the revenue and expense reports through May 2026.

As of the end of May, the city's local receipts are down 6.75%, or nearly \$1.6 million, compared with the prior fiscal year. The largest decline is in license and permit fees, which were anticipated. More concerning are the decreases in motor vehicle excise, the city's largest local revenue source, and meals excise, both of which are indicators of the local economy's direction.

To meet the 2026 revenue estimate, the city must collect an additional \$204,041 in local receipts by June 30th. I believe we will come very close to meeting that target. However, if we fall short, DOR will require the city to raise the deficit on the 2027 tax recap certification, and it will deduct the shortfall from the city's free cash, effectively imposing a double hit on the city. Because of the continued revenue decline throughout 2026, the Mayor reduced 2027 local revenue by 0.5%, or \$108,473.

On the appropriation side, the city still has a snow removal deficit of just under \$1 million. Last month, the City Council voted to use \$2 million in free cash to cover a large portion of that deficit, leaving just \$435,193 in free cash after the city uses \$5,150,000 to fund the fiscal 2027 operating budget. The city plans to cover the remaining snow removal shortfall through surplus appropriations generated by the budget freeze instituted this past February.

Given the less-than-favorable economic climate, the Mayor has decided to continue the budget freeze indefinitely. In addition, all capital requests for 2027 have been placed on hold until later in the fiscal year, when the city's finances will be reevaluated.

Through tremendous effort and collaboration across all city departments, the 2027 Mayor's budget proposal maintains core services, avoids layoffs, and includes modest cost-of-living increases for city staff. It reflects a bottom-line increase of 2.9% over fiscal 2026, which is below the 12-month inflation rate for Massachusetts of 3.2%. Reducing the burden on taxpayers was paramount for the Mayor and the budget team going into the 2027 budget process. By comparison, the 2026 budget rose by 5.6%, with education, employee benefits, and Consentino's debt service serving as the primary drivers.

Sincerely,
Angel A. Perkins, CPFO, CGA, CFE
City Auditor & Chief Financial Officer

MEMO TO: CITY COUNCIL PRESIDENT TIMOTHY JORDAN AND MEMBERS OF THE CITY COUNCIL

SUBJECT: ROAD OPENING, 179 MONUMENT STREET, EROM-26-14

As the subject street was paved within the last 5 years, Council approval is required to open the roadway to repair a grade 2 gas leak, which requires National Grid to excavate in the right of way.

National Grid requests the street opening permit with the understanding that the restoration will be in accordance with the City of Haverhill guidelines and agrees to pay the associated charges for digging on a guaranteed street.

I am supportive of this request as the Engineering Office staff has been working closely with National Grid to coordinate their restoration. Proper trench compaction is required. Decisions will be made in the field as to the extent of each individual restoration; this could include up to total curb to curb mill and overlay full length of the property, if warranted. In this case, if work extends in front of the high school National Grid may be required to restore the road for the full length of the property. Any line striping that is removed or disturbed shall be restored with thermo paint.

Please contact me if you have any questions.

Sincerely,

Lisa E. DeMeo, P.E.
City Engineer

Re: The Beck
Beck Residential, LLC
39 Railroad Ave.
Major Modification Request
Sec 9.3.21.2
Map 711-4-4

Dear President Jordan,

Please be advised that this office represents Beck Residential LLC in connection with its request for a Major Modification in connection with the Special Permit issued by the Haverhill City Council for the property referenced above (see attached decision).

As noted in the decision the project is supposed to have approximately 6,500 square feet of "retail space".

The space for retail use has been built (see attached plans) and has been available for lease for quite some time.

Despite all of the marketing efforts conducted by the Procopio Company to lease this space for retail use there have been no parties interested in the space.

There has been interest in the space for office use which is currently not allowed under the special permit decision.

We are concerned that unless the space can be used for office use in addition to retail use it may continue to remain empty, which would not be a good reflection of the overall Beck project and surrounding park and amenities.

The commercial space at the building totals 6,664 square feet.

Currently we have interest in leasing the small front space, 1,126 square feet, as a realty office.

The realtor's office use is very consistent with many other "retail uses" and it is not uncommon to find neighborhood offices like real estate, travel and insurance businesses sprinkled through retail districts, including downtown Haverhill.

While we would continue to look for a retail tenant for the remaining space, specifically a restaurant, we need the flexibility to seek other tenants should that fail.

Pursuant to Chapter 255, Section 9.3.21.2 of the Haverhill Zoning Ordinance we are requesting that a major modification be approved to the Special Permit to allow office space to be permitted at the Beck in addition to the retail space.

Please note that Planning Director Byerley, while supporting the requested modification, has determined that this request is a major modification to the special permit.

The only change to the project and the permit is our request to add "office space" as an additional use.

There are no other contemplated changes to the parking, number of units, landscaping, building orientation, lighting, facade or anything else in connection with the Beck project.

Based upon our request we believe that this modification is very reasonable and should be allowed in accordance with the ordinance and ask for determination as such.

Should you have any questions or need any additional information please let me know.

Sincerely yours,

Michael J. Migliori

No Conservation objections to adding "office space" to allowed uses of originally intended retail space. No site alterations are proposed outside the building footprint.

Mike and Mike, some project reminders:

1. OOC Special Condition #35 - With spring upon us, the Environmental Monitor (Mary Rimmer during construction) should report on your Invasive Plant Management Strategy to prepare for the 2026 growing season.
2. #74 - File the pre-growing season report by May 31st
3. #79 - Have you filed the "Compliance Report" with NHESP yet? If so, please email a copy to me.
4. #80 - NHESP Authorization expires 9-27-2026. Arrangements should be made to either request an extension or seek compliance from the agency by then.
5. #85 - We are at about 12 months post-construction. Project Engineer should review drainage components, identify maintenance needs, and update the OMP accordingly. Please arrange for BMP maintenance at this time. Please notify me of the PE's inspection schedule, as I'd like to attend (#91).

Thank you for attending to these items. Rob

Re: The Beck

Minor Modification Request
Sec 9.3.21
Map 711-4-4

Dear Director Byerley,

Please be advised that this office represents Beck Residential LLC in connection with its request for a Minor Modification in connection with the Special Permit issued by the Haverhill City Council for the property referenced above (see attached decision).

As noted in the decision the project is supposed to have approximately 6,500 square feet of "retail space".

The space for retail use has been built (see attached plans) and has been available for lease for quite some time.

Despite all of the marketing efforts conducted by the Procopio Company to lease this space for retail use there have been no parties interested in the space.

There has been interest in the space for office use which is currently not allowed under the special permit decision.

We are concerned that unless the space can be used for office use in addition to retail use it may continue to remain empty, which would not be a good reflection of the overall Beck project and surrounding park and amenities.

The commercial space at the building totals 6,664 square feet.

Currently we have interest in leasing the small front space, 1,126 square feet, as a realty office.

The realtor's office use is very consistent with many other "retail uses" and it is not uncommon to find neighborhood offices like real estate, travel and insurance businesses sprinkled through retail districts, including downtown Haverhill.

While we would continue to look for a retail tenant for the remaining space, specifically a restaurant, we need the flexibility to seek other tenants should that fail.

Pursuant to Chapter 255, Section 9.3.21 of the Haverhill Zoning Ordinance we are requesting that a minor change be approved to the Special Permit to allow office space to be permitted at the Beck in addition to the retail space.

Section 9.3.21 reads in part **"an applicant may apply to make minor changes..... or other site details that do not affect the overall massing, final build-out or building envelope of the site and do not materially affect the open space from that shown on the previously approved site plan and do not increase the number of dwelling units in the project in the aggregate form that was provided in the original plan approval."**

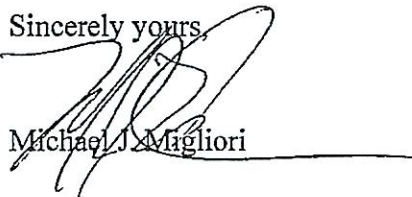

The only change to the project and the permit is our request to add "office space" as an additional use.

There are no other contemplated changes to the parking, number of units, landscaping, building orientation, lighting, facade or anything else in connection with the Beck project.

Based upon our request we believe that this qualifies as a "minor modification" in accordance with the ordinance and ask for a determination as such.

Should you have any questions or need any additional information please let me know.

Sincerely yours,

Michael J. Magliori

Re: Beck Residential, LLC – 39 Railroad Ave – Minor Modification Request

Dear Attorney Migliori,

I am writing in response to your request, dated April 28, 2026, submitted on behalf of Beck Residential, LLC, seeking a determination that the proposed modification to allow office use qualifies as a minor change under Section 9.3.21 of the City of Haverhill Zoning Ordinance.

The request has been reviewed in the context of the Special Permit decision issued by the City Council which approved a mixed-use development including residential units and approximately 6,500 square feet of retail space. Pursuant to Section 9.3.21.1 of the Zoning Ordinance, minor changes are limited to adjustments involving site details such as utilities, building orientation, lighting, façade, parking, landscaping, or similar elements that do not affect the overall approved plan. As outlined in the ordinance such changes must not materially alter the nature or character of the approved development. The proposed modification to introduce office use, effectively changing the approved use from retail to a combination of office and retail constitutes a change in use. A change in use is not considered a minor modification under Section 9.3.21.1, as it represents a substantive alteration to the approved Special Permit.

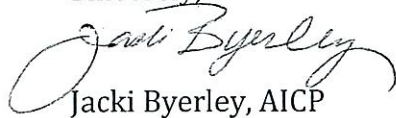

Accordingly, I determine that the requested modification does not qualify as a minor change and is therefore denied at the administrative level.

However, Section 9.3.21.2 provides a pathway for consideration of such changes. Requests that cannot be appropriately characterized as minor changes are deemed major changes and must be processed through the Special Permit granting authority as a new or amended application.

I understand the circumstances outlined in your letter regarding the difficulty in securing a retail tenant and the interest in office use for a portion of the space. I am supportive of a modification to allow a mix of office, retail, and restaurant uses and I encourage you to pursue this request through the formal Special Permit modification process. My office is available to assist you should you pursue a major change review by the City Council.

Please do not hesitate to contact me should you wish to discuss next steps.

Sincerely,

1. Minor Change. After either by-right or special permit plan approval, an applicant may apply to make minor changes involving minor utility or building orientation adjustments, lighting or facade adjustments, or minor adjustments to parking, landscaping, or other site details that do not affect the overall massing, final build-out or building envelope of the site and do not materially affect the open space from that shown on the previously approved site plan and do not increase the number of dwelling units in the project in the aggregate form that was provided in the original plan approval. The provisions of the WD shall be administered by the Building Inspector, except as otherwise provided herein. Any appeal arising out of action by the PAA regarding application for a by-right plan approval shall be governed by the provisions of MGL c. 40A applicable to as-of-right projects which have been subject only to a nondiscretionary site plan review not involving or requiring any special permit and shall be made to a court of competent jurisdiction as set forth in MGL c. 40A, § 17. NOTICE OF DECISION

YOU ARE HEREBY NOTIFIED OF THE DECISION OF THE CITY COUNCIL ON THE APPLICATION OF:

Attorney Michael Migliori for PE Partners LLC

APPLICANT AND OWNER (IF DIFFERENT)

for property located at: 19 Railroad Av; 31-35 Railroad Av; 236 South Elm St.

SITE LOCATION, ASSESSOR'S MAP, BLOCK, PARCEL NUMBERS

which was filed with the City Clerk on June 16 2021 as signified by the City Clerk's date stamp.

DATE

The Council, as authorized by Section 15, Chapter 40A of the MGL held a PUBLIC HEARING on:
May 25 2021

DATE OF HEARING (CONTINUANCE IF APPLICABLE)

The Council voted to ~~GRANT/DENY~~ said application. Council Voted to grant the following waivers:

1st waiver request: Preferred projects within Waterfront District H may increase density to 40 units per acre -proposed project is for 290 units on 6.81 acres of land, which equates to 42.6 units per acre. A waiver to develop a project with 290 units is requested to satisfy the 290 units stated in the \$1.95m MassWorks Grant for traffic and infrastructure improvements associated with our transit-oriented development.

2nd waiver request: 19-foot long ninety-degree parking spaces are required pursuant to CH. 255 6.1.4.5 -requesting a waiver as the 291 ninety-degree podium garage parking spaces are dimensionally shorter than 19 feet. The vast majority of spaces planned in the podium garage are 18-feet long, with a few being 17-feet long. Smaller parking stall sizes are typical for garage parking spaces in the market and are generally more appropriate than larger surface lot spaces.

3rd waiver request: 491 parking spaces are required for the proposed mixed-use (Multifamily Residential, Retail & Restaurant) development plan per zoning - The proposed project currently plans to offer 347 parking spaces. A waiver is requested due to the project being a transit-oriented development with many residents commuting via public transportation provided at the Bradford MBTA Commuter Rail station
